INDEX

The 1940-1941 Iagoo is published for the sole purpose of recording the steady progress of the Arapahoe High School students in their effort to succeed and gain higher ideals.

We dedicate this annual to the classes that are to follow and sincerely hope that they are able to gain the heights set before them.

We also wish to dedicate this to the business men, townspeople, and the Board of Education for their fine cooperation and loyal support toward our school during the year of '40-'41.

"IAGOO"

Our town, Arapahoe, was named after the Arapahoe Indian tribe who camped along the Republican River.

The school, in order to carry out the Indian theme started by the naming of the town, has selected typical Indian names for the various school activities and organizations.

As our mascot is the Indian, and the athletes our Warriors, the word "Iagoo" was selected for the name of our school annual. Iagoo means marvelous story teller, traveler and talker, and was taken from the poem, "Hiawatha", written by Longfellow.

The Class of 1941 have tried to bring out the significance of this word and give you a story of the school year '40 and '41. We have tried to explain each department in a way that may be interesting to everyone who may read this paper, and we hope the reader enjoys it as much as we have enjoyed compiling and writing this story of our school for the year 1940-1941.

The staff and members of the senior class wish to take this means of expressing their appreciation for the fine cooperation and help the Board of Education has given the past school years. A great deal of the success of our school life was made possible by the aid of members, both past and present, who have given so generously, of their time and effort.

The present members of the Board of Education are:

President-----Ralph Eland
Vice-President-----O. V. Moore
Secretary-----Miles Lewis
Treasurer-----R. F. Emmett
Member-----Dr. J. P. Pattin
Member-----Glen Eland

OUR CAMPUS

One of the beauty spots of Arapahoe is the high school campus, located in the northcentral part of town.

On the well-kept lawn in front of the school buildings are found many different varieties of trees. Spirea bushes line the walk to the senior high building. Flower beds are found in the four corners of the lawn, and a large, circular one is located in the center. The campus forms a beautiful setting for the May fete held each year.

Three modern buildings are found on the campus. The annex contains two large rooms, one for music groups, and the other for manual training.

The junior high is a two story building directly in front of the annex. This building holds all classes up to and including the ninth grade.

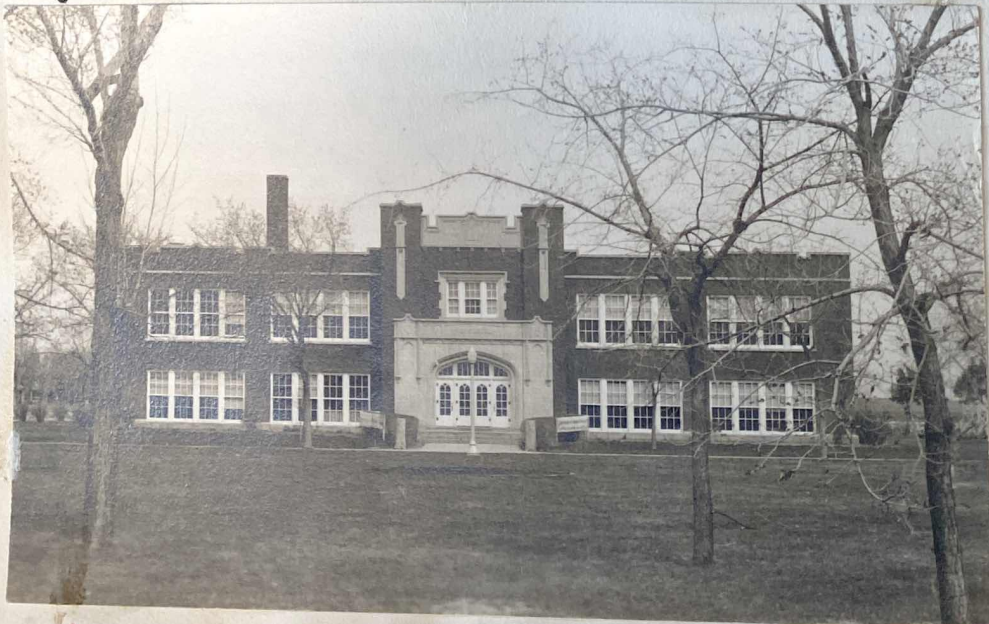

The largest of these three buildings is the senior high. The lower floor is composed of the commercial rooms, the superintendent's office, boys' and girls' dressing rooms, and the janitor's room. The gymnasium is found on this floor. The scene of many activities. The upper floor contains a large assembly, an excellent library, a complete science laboratory, a home economic laboratory, the principal's office, and mathematics, English, history, and normal training rooms. A long hall, lined with steel lockers, is at the top of the stairs.

Arapahoe is fortunate in having a fine athletic field, and the best track in southwest Nebraska. There is a special pit on the track so that several events can be run off at one time. Four bleachers line the field to accommodate the spectators. The field is well-lighted and equipped with a sprinkler to keep it in better condition. The field is in use in the summer as well as during the school year.

The playground is located in front and to the left of the junior high building. It is equipped with a merry-go-round, slippery slide, ocean wave, a water fountain, and some swings.

Bordering the campus on two sides is a parking space.

The buildings and campus are kept in good condition by two janitors, Mr. Hornaday and Mr. Snyder.

COURSES

The Arapahoe Public School has one of the most beautiful buildings and campuses in the state of Nebraska and offers a varied curriculum, consisting of five courses.

COLLEGE PREPARATORY

The College preparatory course is offered to those students who wish to enter college after graduation. This course includes English, Science and Latin. Along with these a commercial background can be gained by using the electives.

NORMAL TRAINING

This is a course which prepares the student to obtain a position after graduation without further education. It furnishes training for those pupils who wish to become teachers. After taking this part of the curriculum students are permitted to teach for three years in a rural school before going to school again.

COMMERCIAL COURSE

The commercial course provides training for those pupils who wish to enter the business world. The skilled subjects offered are very useful even for personal use. The subjects offered are bookkeeping, first and second year typing, shorthand and office practice, and commercial law. An extension course can be obtained for second year shorthand.

TRADE TRAINING

Those who wish to take special training in auto mechanics, blacksmithing or electricity can receive such training in local business houses. Arapahoe is one of the few Nebraska schools which offer this course. Credits so earned may be used to meet graduation requirements.

GENERAL COURSE

The undecided person, who does not know what he will do after graduation is given a general course. The subjects which are offered for this person are those which are necessary for college entrance.

STUDENT COUNCIL

The student council, an organization consisting of chosen members of the student body, is organized for the purpose of giving the students as a whole a voice in the school government.

Two representatives are chosen from each class. It is the duty of each representative to take school problems to the student council.

Every Wednesday morning a meeting is held and plans are made for convocation, which is held every two weeks.

During basketball season the council provides accommodations for checking the hats and coats of visitors. The student council also reserves a certain section to seat adults, visitors, and junior high and senior high students.

The student council is sponsored by Mr. Parriott. The officers for 1940-1941 were:

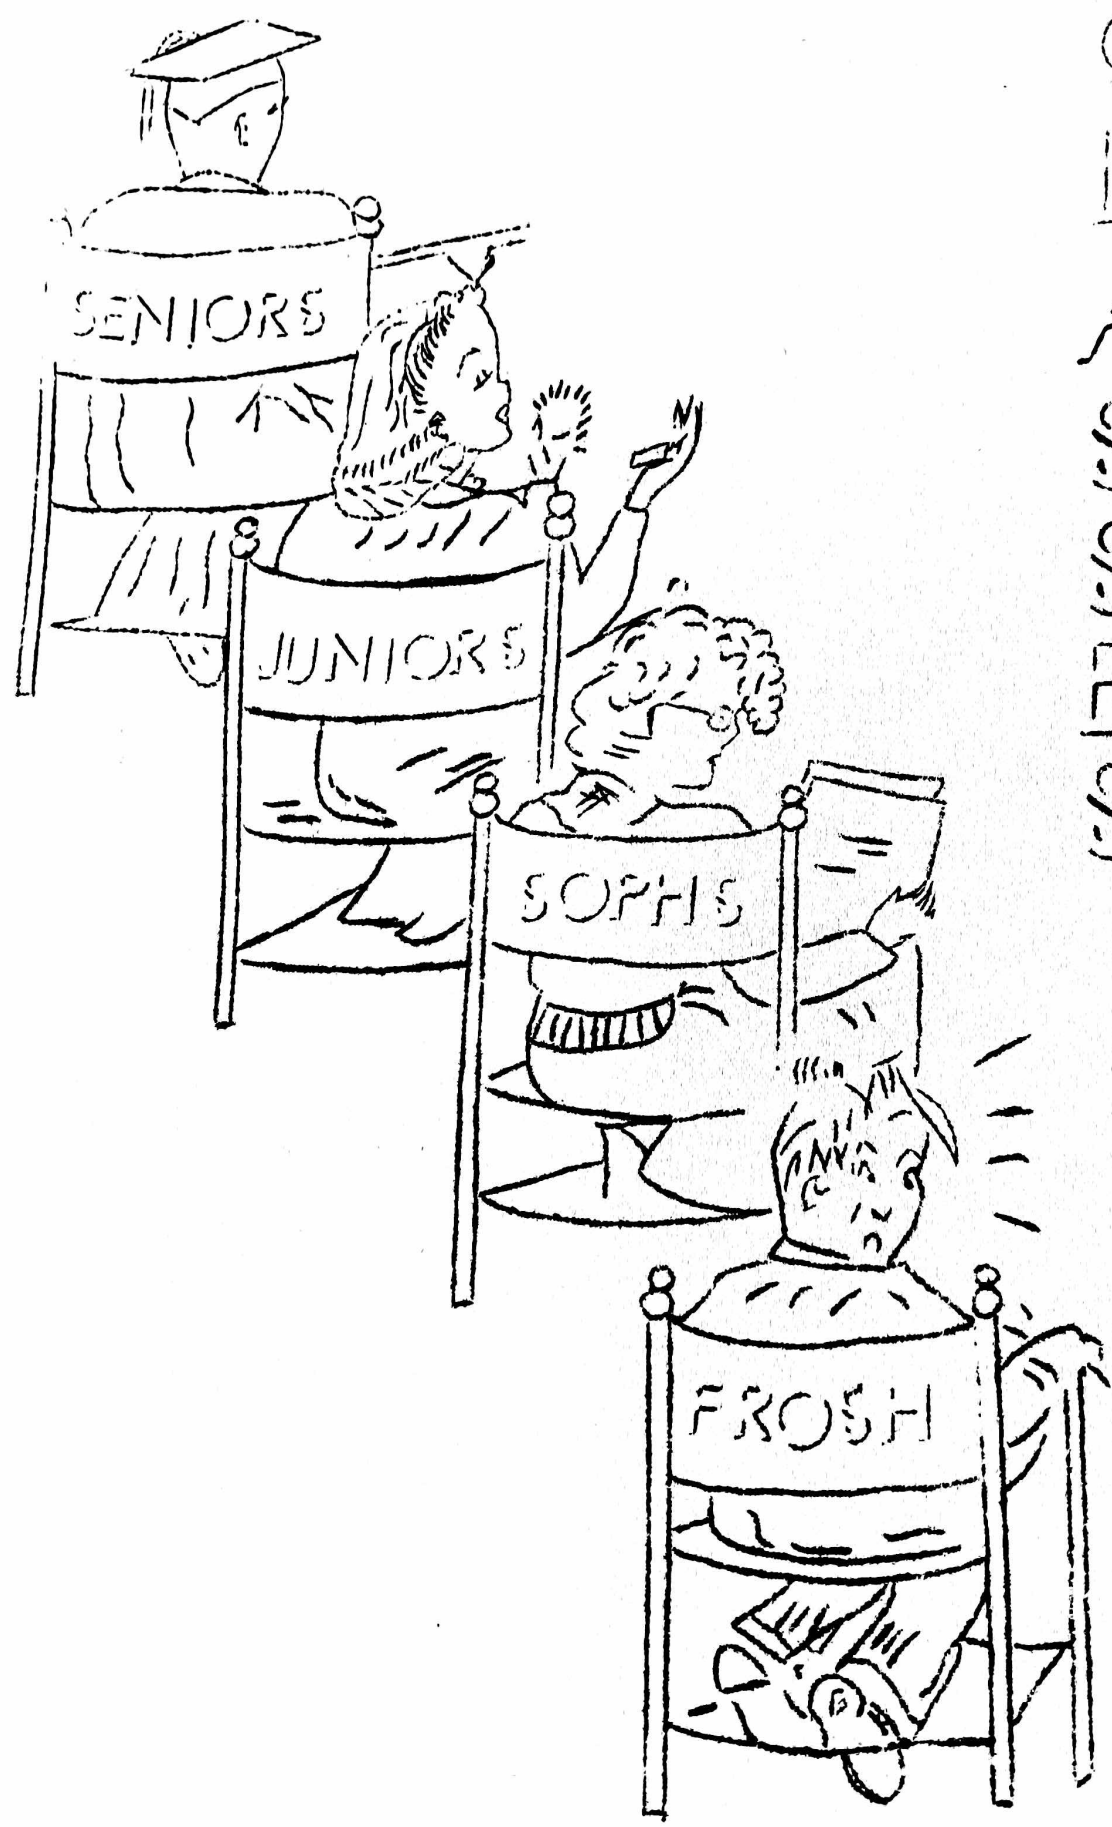

- President-----Douglas Brown
- Vice-President-----Arva McCoy
- Secretary-----Darien Hermes

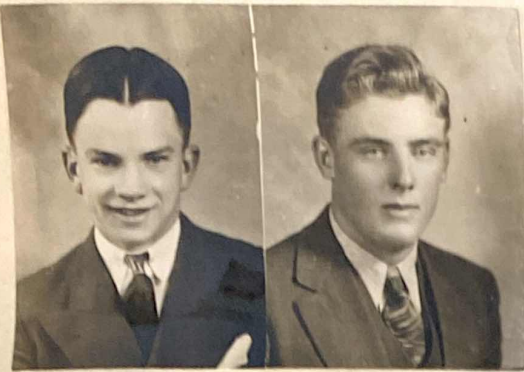

- Member-----Billie White
- Member-----Betty June Curry
- Member-----Leon McCoy

I wish to take this opportunity of thanking the senior English class for their cooperation in compiling and editing this annual. I also wish to express my sincere thanks to Mr. Adee for so patiently supervising the work and helping us over the "tough spots" and to Miss Ellermeier for giving us her time and ability.

PERSONALS WITH
NAMES, HANDLES, and FAMOUS WAR WHOOPS

It is May, 1941. The wigwam is fairly bursting with "war whoops" from persons whose anxious touse the knowledge they have accumulated the past four years.

Who is that I see stepping from the Arapahoe tepee? It is none other than Don "Quincy" Adams with a disgusted look as he utters in Indian language "Oh, phooie!"

"Chief Turtle Alstot" followed close behind with another famous war whoop, "Oh, poof!"

Who else could it be, but Peggy "Piggy" Carpenter who flashed a smile and said, "Why?"

Merilyn "Lee" Cox rushes into the tepee ready for a "Bang up good time."

"Yipee", I gota bang out of that," shouted "Denny" Pearl Fahnhoiz.

A tall "full grown" man steps impotantly into the open. Melvin "Tiny" Evans indeed. "Oh, heck!"

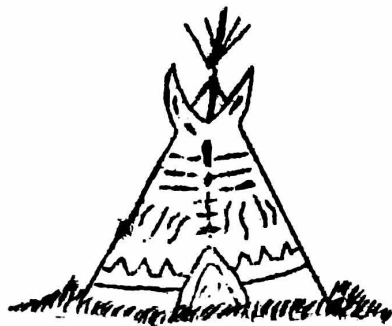

And who follows but a snippy blond secretary with "Cut it out" on the tip of her tongue. We mean Eleanor "Dutch" Hahn.

Next emerges a true Indian War Chief crying "Aw, shut up!" It is only Max "Gunner" Girch.

"What's the deal?" comes a voice from within. Not satisfied with the answer Gerard "Ger" Klocke flits from the tepee.

Here come two girls arm in arm. Both are tall and giggle frequently. Velma "D" Johnson bursts out with "Betcha" and Eleanora Krunme "Krummie" responds with "Ain't it awful! L meaning bookkeeping of course.

Look at that physique! And he's a serious looking athlete. "Chief" Neal Lindsey leaps from the tent "hol-lering" the directions "Down the cellar in a teacup."

Here comes a vivacious young Miss with a ready smile and a helping hand. Nina "Bunny" Lindsey laughingly says "Boy, there's a honey," and passes on.

Here comes a girl moving rather slowly--"Oh, Gee!" utters quiet Arva "Arvie" McCoy.

It's a rather slow drawl "It's a deal." Guess who? Velma "Mickey" McCollam.

Here is a tall curly-haired fellow! We hear he can dance too. "Dan-nab-it" it's Bill "Willie" Harrington.

Cletus "Clet" Murdock is an ambitious student but he thinks we have "no Hay" on Nebraska farms.

"Dutchy" Eileen Monter is now being questioned by Chief Greathouse and Squaw Ellermeier. She responds, with "Ah, gee!"

Conversing together about fishing "Squirt" Bill White begins "Oh, gee whiz!" This is suddenly interrupted by "I know a better one." Why that is none other than Don "Windy" White.

Alas! What is this--laughs intermingled with squeals. Sara Marie "Sarie" Stearns says "Oh!" and Rhoda Belle "Simsy" Sims gaily remarks "No kidding!"

"Jeepers Creepers!" Won't I ever finish sweeping sidewalks," shouts Clarence "Schmitty" Schmid.

Doris "Dorie" Roesler a happy-go-lucky lassie said "I don't know."

The tent flap falls. It is the end of another perfect graduation. This was written all in fun, but seriously there were twenty-four seniors who were brave and had hopeful hearts as they passed into the world all-resolved to make it a better one when the curtain fell on their high school careers.

FOOTBALL

The season opened with everyone anxious for a victory after the last year's bad season. The prospect s looked very good with 14 lettermen returning. Under the able coaching of Leonard E. Greathouse, a former Peru athlete, practice started September 2, with about 25 boys reporting.

The first game was played with the Holbrook Hornets. The game ended in a scoreless tie, but the Arapahoe boys won a moral victory.

The next week much hard work was done to get in shape for a strong Orleans team. This was the first game at home, and the Warriors came out with a 7-0 victory. This was also the start of the Republican Valley Championship.

The next week the team journeyed to Alma only to lose by a 6-0 score. This game was the only Republican Valley defeat the team suffered.

The next week the fighting Warriors were outplayed by a smaller Elwood eleven, but finally conquered after a long run with a 6-0 score.

In the following game everyone received a chance to play some part. The Warriors really "got going" and defeated Bertrand 35-7.

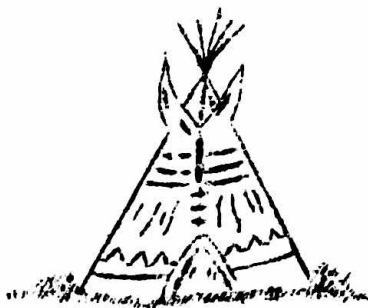

The squad journeyed to Indianola only to be defeated by the Indians 7-0. The Warriors threatened, but the Indianola team received a "lucky break" and scored on an intercepted pass. This was the only Mid-Valley game the team lost.

The Warriors then came from behind in the next game to win in the last two minutes from Minden with a score, 20-14, after being outplayed the first half.

The Warriors gained momentum and outplayed a much larger Cambridge team coming near the "pay dirt" several times, but the game ended in a scoreless tie. Four regular first team men were out of this game.

Next came the real test of the season; the last two games had to be won if the team was to win the Championship. The Warriors "turned on the heat" and defeated the Beaver City Boarcats on a muddy field 13-7.

(continued on next page)

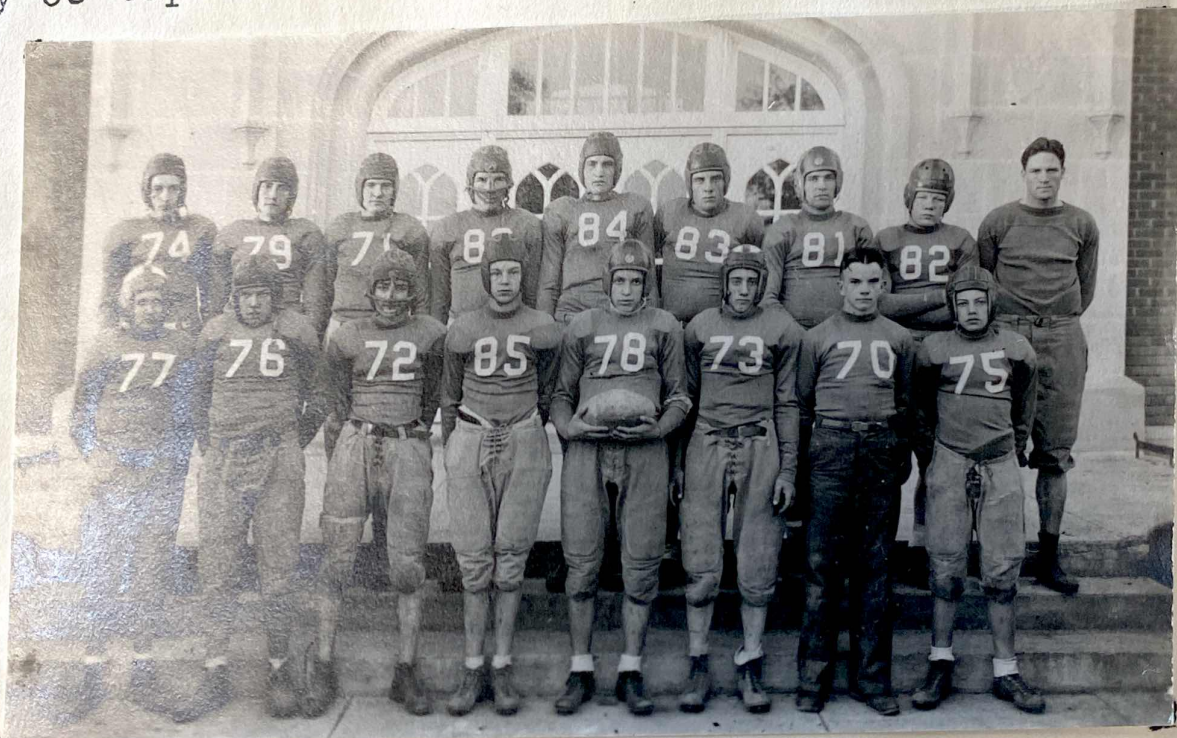

(continued)

The last game of the season was also the last game for seven seniors, so the team went out with a spirit of "never say die" and downed the Oxford Cardinals before a large homecoming crowd 13-0. This game cinched the Republican Valley Championship.

Mr. Greathouse, the coach, won recognition for helping the boys win the Republican Valley Championship. He worked and cooperated with the boys earning much credit for this fine achievement.

The climax of the season was the Republican Valley Banquet of January 27. Six members of the Arapaho team were placed on the Honor Roll. Those honored were: Max Girch, Neal Lindsey, Don Adams, Clarence Schmid, Phil Benjamin, and Harold Alstot. The team was presented with a fine trophy for winning the championship.

Neal Lindsey and Harold Alstot were chosen as Honorary Co-captains of the team.

Back row--Bud Suedmeyer, Bill Hill, Neal Lindsey, Don Breinig, Bob Suedmeyer, Melvin Evans, Max Girch, Jack Slife, Coach Greathouse.

Front row--Jerry Hill, Don Adams, Ernest Ireland, Leon McCoy, Philip Benjamin, Clarence Schmid, Harold Alstot, and Dick Hambidge.

BASKETBALL

The anxiously awaiting basketball fans witnessed their first game of the season between the Arapahoe Warriors and the Indianola Indians. The Warriors won this game by a score of 25 to 19.

The next test of the Warriors was against the Franklin Flyers where the Warriors squeezed out a 20 to 18 victory. They also initiated the new suits donated by the Pep Club.

Arapahoe then eluded the Elwood cagers defeating them 42 to 25.

Next in line for the powerful Arapahoe quintet was Loomis who were trounced by a score of 49 to 23.

By this time the fans had high hopes that the Warriors would repeat their very successful football season in basketball. But their expectations were suddenly lowered when the Warriors were defeated two straight games at the hands of the Holbrook Hornets, 32 to 26, and the Beaver City Bearcats, 27 to 12.

The Arapahoe quintet roared back to the winning column by defeating the Orleans Orioles in the last four minutes of a very thrilling game, 24 to 21.

Arapahoe's determined Warriors then scalped the Edison Eagles in a rough game on the Edison court, 36 to 24.

The Oxford Cardinals met their Waterloo when they invaded the Warrior camp January 24. The Cardinals lost 51 to 37.

The Arapahoe team continued to add two more victims to their string when they defeated Alma, 18 to 14, and Bertrand, 32 to 24.

Arapahoe's next battle was with the powerful Wilsonville Wildcats in the county tournament held February 6, 7, and 8 at Wilsonville. The Warriors lost this battle, 37 to 28.

The Warrior's next opponents were the Cambridge Trojans who were easily overcome, 27 to 18.

The Minden Greyhounds then gave the Warriors a very hard game, but all in vain. Arapahoe won, 29 to 25, in the last four minutes.

(continued on next page)

The Red Willow Zephers succeeded in turning back the Arapahoe Warriors 32 to 31 on the Red Willow timbers on the 21st of February. The Warriors staged a great comeback but they failed to have the winning punch.

The Warriors lost their first game of the C class B tournament to the Holbrook Hornets in an overtime 28 to 25. The Warriors played a very good game but were unable to conquer the "buzzing" Hornets.

Back row-Jack Learned, Rolland Emmett, Wilmer Hunt, Bill Harrington, Leon McCoy, Albert Ziebell, Coach Great-house.

Middle row-Harold Alstot, Phil Benjamin, Gerhard Klocke, Neal Lindsey, Max Girch, Rodney Cox, Jerry Hill.

Front row-Don Adams, Bill Hill, Dick Hambidge.

SOPHOMORES TAKE CROWN IN INTER-CLASS TOURNAMENT

The juniors and the sophomores opened the 1941 inter-class tournament. The juniors dropped this game to the strong sophomore quintet 35-19. The juniors seemed very confident of victory but the sophomores soon took the feeling of superiority out of the junior eagles. The sharp shooting of Rodney Cox and his teammate, Rolland Emmett, and the defensive playing of Bill Hill, Jack Learned, and Leon McCoy soon smothered all hopes the juniors ever had of victory over this much inspired group of boys.

Next in line the first night were the seniors who were the defending champions. This quintet met a powerful faculty team. The faculty proved to have to much advantage over the seniors because of a tall center who gained a great deal of experience at Peru State Teachers College. He made thirty points on his one-man attack against the defending champions. Mr. Parriott made the other four points for the faculty. The final score of this great classic was 34-28 in favor of the faculty.

The mighty sophomore eagles continued their winning ways by handing the faculty a 33-32 defeat in the second round of this annual event. Rolland Emmett again, with the help of Rodney Cox and Jack Learned, kept the sophomores in the scoring race. Rolland led the scoring with eleven points, with second high scoring honors going to Jack Learned and Rodney Cox each having seven points to his credit.

The juniors then handed the seniors their second defeat in the tournament by a score of 23-22 in an overtime period. Donald Breinig, junior center, played an excellent game on both the offense and the defense. Phil Benjamin and Jerry Hill aided a great deal in keeping the junior team in the scoring race.

Neal Lindsey and Donald Adams led the seniors scoring with eight and seven points respectively. This game proved to be the high-light of the tournament; it also was a very hard loss for the seniors to take.

The seniors and the sophomores closed the 1941 Basketball season with a sensational battle. The seniors again lost by a close margin. The seniors staged a great comeback in the fourth quarter and made the score 38-37. Harold Alstot and Donald Adams led the senior scoring. Rodney Cox and Rolland Emmett again took the sophomores scoring honors.

The Arapahoe Warriors started their 1941 track season with a triangular meet with Beaver City, Indianola, and Arapahoe on the Arapahoe cinders. Beaver City proved to be too powerful in track events and won the meet. They beat a strong Indianola cinders squad, 46 to 45 1/3. A quadriangular meet was held the following week with Beaver City, Indianola, Cambridge and Arapahoe as contenders. Beaver City was again victorious. Indianola placed second, Arapahoe third, and Cambridge fourth. The Arapahoe Invitational Meet held April 15 on the local track was won by McCook Bisons. There were fourteen schools represented here at this annual event. Beaver City placed second, Indianola third, and Arapahoe fourth.

April 26 the Arapahoe track team invaded the McCook track to participate in the McCook Invitational Track and Field Meet. McCook won this event followed by St. Francis of Kansas, Imperial, Indianola, and Arapahoe.

The Arapahoe Warriors dominated the Republican Valley Track Meet and won the Championship. The Warriors outpointed the Beaver City Bearcats 53 1/2 to 48 1/2. Orleans was third in the meet with 26 1/6 points. Max Girch, senior track star let the point makers with 25 1/3 points. The contenders of this event were Minden, Orleans, Franklin, Oxford, Beaver City, and Arapahoe.

On May 3 Arapahoe was again host to the Mid-Valley Track and Field Meet. Max Girch again was the leading point-maker and received a gold track shoe for his fine achievement. Indianola won this meet with 80 points. Arapahoe was second with 61 points. Those that were represented in this meet were Indianola, Red Willow, Edison, Oxford, Elwood, and Arapahoe.

There were five lettermen on this year's squad. Three of these men are seniors. Bob Suedmeyer, sophomore, and Phil Benjamin, junior are the other lettermen.

Max Girch, versatile senior athlete scored a very large number of points and won many ribbons and medals in the shotput, high jump, pole vault, high and low hurdles, discus, and the javelin. Max is a four year letterman and will be greatly missed on next year's squad.

Harold Alstot, a two year letterman exceeded in the broad jump and pole vault. He also ran on the relay team. He scored many points in these events, and his loss will injure the 1942 track team.

(continued)

Robert Suedmeyer, sophomore discus and shot thrower has qualified for the state track and field meet for the past two years. He has two more years of competition and should become a very good track man. He also was a good high-jumper. Bob will be a great aid to the future Warrior squads.

Neal Lindsey, the other senior letterman, was an exceptionally good shot thrower. Neal worked hard in this event and was a great help to the track squad. He was always working for bigger throws. His absence from next year's squad will be a great detriment.

Phil Benjamin, junior letterman who excels in running, throwing the javelin, discus, and the shot, has made many points this season. He is also a good broad jumper. Phil has one more year and will be a great aid to the 1942 track teams.

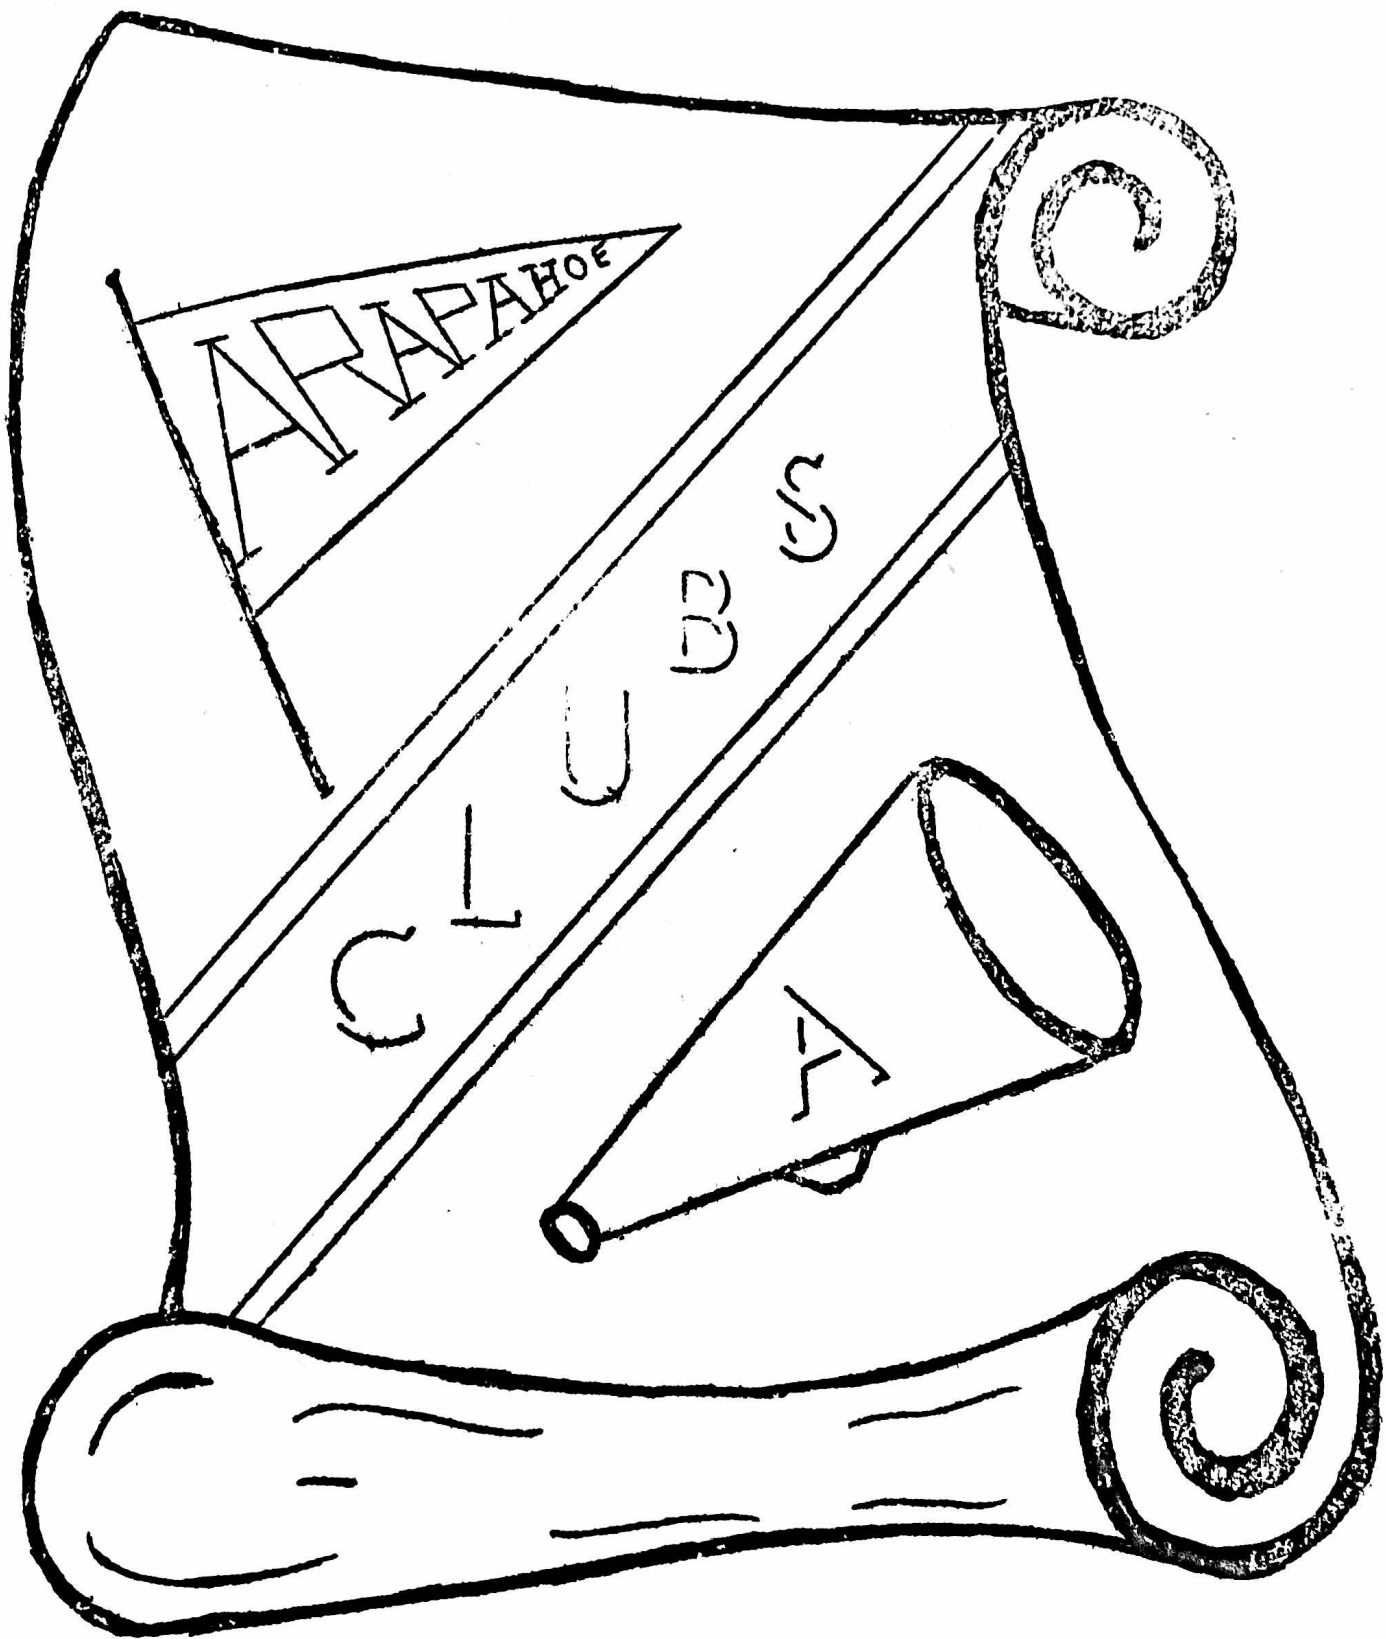

Each of the five lettermen for 1941 qualified for the State Track and Field Meet, May 9 and 10. Girch in the pole vault, low and high hurdles, shot put, and high jump; Alstot in the pole vault and broad jump; Lindsey in the shot put; Benjamin in broad jump, 100, 220, javelin, and discus; Suedmeyer in the discus.

JUNIOR HIGH FOOTBALL AND BASKETBALL

The junior high had a large group of boys out for sports the past year. The coach was Mr. Goodwin, who was assisted by Lloyd Crawford. The boys had a very successful season in football having won two games and lost one. They defeated Oxford and Cambridge but lost a heartbreaker to Holdrege. Some of the outstanding players were Rodney Cox, Joe tenBensel, Jack Ems, Hugh Harrington, Leonard Moore, Richard Eland, and Roland Emmett.

The basketball season was not as successful. The boys lost every game, including the junior high tournament game played at Elwood. The outstanding players were Hugh Harrington, Leonard Moore, Oscar Peterman, Richard Eland, and Jack Ems.

PEP CLUB

The Pep Club was organized to help stimulate school spirit and cooperation among the faculty and student body.

This group of girls is under the sponsorship of Miss Ellermeier, and the leadership of Nina Lindsey, the president. These leaders, with the cooperation of the rest of the club, made 1940 and 1941 a very successful year.

With the profits made from the candy sales the girls were able to buy basketball suits of blue and white satin for the basketball team. The club conducted pep rallies and drills, and had several social gatherings for the Pep Club and "A" Club members. The girls attended all home athletic functions and also two out of town football and two out of town basketball games.

The inter-class basketball tournament and the inter-class track meet are sponsored by the "A" Club.

The football trip to Lincoln each year is also sponsored by this club. The boys collect money from business men to pay the expenses of such trips.

MUSIC

Marion Thayer

MUSIC

Marion C. Thayer, having had two successful years in Farnam, Nebraska, came to Arapahoe with great hopes of making Arapahoe a superior school in music.

The first music program of the year was presented on Armistis day, November 11. The program consisted of several musical numbers presented by a special chorus, the band, and the soloists. Mr. Thayer had charge of the entire program and much credit was given him for his fine work.

Five members of the band and vocal groups were taken to North Platte on November 29, 30 and 31, to attend the State Music Convention. Those who attended the Convention were Gerhard Klocke, Georgia Johnson, JoAnne Carpenter and Roland Emmett. All received high ratings.

Christmas carols were sung by the chorus during the Christmas season when a program was presented on Main Street by the local community.

A district band clinic was attended by fourteen members of the school band. This was held at Norton, Kansas on February 22 and 23. Bette Belle Kilpatrick, Bill Harrington and Roland Emmett were placed in the first ranking band, called the Blue Band, and consisting of 90 members. There were three bands; the Blue, Gold and Black, each consisting of 90 members.

Bertrand sponsored a pre-contest day which the schools in this section attended to receive criticisms before attending the district contest. Arapahoe was well represented by its vocal and instrumental soloists, and small groups. Valuable criticisms were given by the judges.

A madrigal group, consisting of sixteen members from the vocal groups, the first ever planned in Arapahoe, was organized this spring. The purpose of organizing the madrigal group was to create more ease and feeling in singing. The group received a superior rating at the district contest, being one of the four such organizations in the state to receive so high a rating.

The mixed chorus, consisting of 150 members, was the largest music group ever organized in Arapahoe. The members were from both junior and senior high schools. This group also received a superior rating at the district contest. McCook and Wauneta were other schools receiving superior ratings for their chorus work.

The band was also given much attention and enlarged having ten members more than last year's band or a total of 50 members. Several programs were given by the band

which rated a "superior" at the district contest. According to a report in the McCook paper the judges rated the band favorably in comparison with the McCook band. Girls and boys glee clubs each had a large membership. They worked hard on the contest songs. They also presented several programs during the year. The boys rated "excellent" and the girls received "good" at the music contest.

In the small groups and solo events two "superiors", five "excellents", four "goods", and five "averages" were given at the McCook district contest. This contest concluded a very successful school year for the music department.

The last programs given by the music groups for the 1940-1941 school year were on May Day, Commencement and Baccalaurette.

JUNIOR CLASS PLAY

The season's dramatics started out with a bang at the presentation of the Junior Class Play, "A Ready-Made Family," given November 19, 1940.

The action of the play started right from the beginning and did not let up during the entire performance.

The play was a comedy interspersed with various forms of fits, which almost succeeded in breaking up the marriage of Agnes Martyn, played by Geraldine Hahn, and Henry Turner, played by Darrell Brown.

Romance was in no way lacking. In fact, the only ones not affected by the love bug were Miss Lydia, who was always trying to contact her dead brother, played by Ada Jean Stewart, and Gracie, played by Ara Jane Hill, too busy portraying the part of a little brat.

Comedy was supplied by Bob, who threw a fit whenever convenient, played by Bill Oswald; Marilee, the baby talking elder daughter, played by Darien Hermes; Doris, who was forever talking about her operation, played by Doris Holloway; Sammie, who simply couldn't resist taking everything he saw, played by Warren Urbom; and the colored help, Begonia and Nicodemus, played by Ietha Highland and Ernest Ireland.

DECLAMATORY CONTESTS

Miss Morris, Miss Jepson, Miss Disbrow, and Mr. Adee had charge of the local declamatory contests. Several entrants went to the district contest and received high ratings. These were: Ara Jane Hill, Darrell Brown, Addie Dunkin, Kenneth Carpenter, and Maxine Ireland. The plays entered in the district contest were "Little Heliotrope," and "Five for Bad Luck."

SENIOR CLASS PLAY

The highlight of the season's dramatics was the Senior Class Play, "One in a Million," given April 23. The seniors have the distinction of having one of the largest crowds ever present at a class play.

The play was a pure comedy. The two leading characters were the playboys, Sam Perry and Archie Carter, who were always getting into dumb scraps, and getting into still worse complications getting out of the scrapes. These parts were played by Don Adams and Bill Harrington.

who were always getting into dumb scrapes, and getting into still worse complications getting out of the scrapes. These parts were played by Don Adams and Bill Harrington. Only one romance developed during the play, but this was interesting enough to make up for several. Wilma Maitland, played by Arva McCoy, was the object of Sam Perry's devotion.

As is always the case, a woman had to get the men out of trouble. Aunt Lemira, played by Peggy Carpenter, proved to be a lifesaver.

There was a gold-digger in the play, too. Flossie Jenkins, no better than she need be, played by Doris Roesler, was after the money of Temple Carter, a middle aged bachelor, played by Neal Lindsey. Flossie was aided by her sharp-tongued mother, Mrs. Jenkins, played by Sara Marie Stearns.

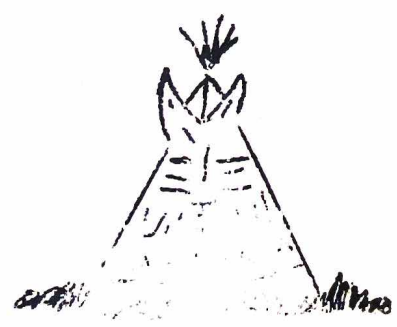

The dignified butler and special confidant of Archie Carter was Hubert, played by Harold Alstot.

The audience was kept in suspense during the entire play by the fake marriage of Wilma and Sam but as in all plays everthing turned out fine in the end.

We hope you will overlook the errors you find in this paper because we know there are some although the papers were checked as thoroughly as possible before going "to press". We have tried to find all the errors and correct them in some way but it is obvious that some were missed.

We know our paper is not perfect and are not trying to use this as a means of apology but are letting you know that we are aware of the mistakes and have tried to avoid them.

PUBLICATIONS TOTEM POLE

The Totem Pole was a mimeographed school publication and was very capably written by the Junior English Class. It was the aim of the Totem Pole staff to mimeograph one or more issues during the school year. The paper was received with enthusiasm by the students and faculty and many copies were sent to rural schools in the vicinity.

The Totem Pole was started by the Junior English Class of 1938. It has been issued for the purpose of improving the school, and acquainting all students with school organizations and activities. Another important factor of the Totem Pole is that it prepares the Juniors in editing the Tomahawk during their senior year.

Space was provided for educational editorials, humor and school affairs. Much credit is to be given the Editor-in-Chief, Warren Urbom, and his assistants, Robert Snyder and Darrell Brown.

It has been the aim of the staff to bring all the school happenings to the eyes of the public. The Tomahawk was written in such a form that most people enjoyed reading it. Compliments were given some of the outstanding persons in the different organizations, and many important items of the school year mentioned.

The Tomahawk staff worked with the goal of making the paper a true picture of life at the Arapahoe Public School. The entire staff appreciated the interest and

THE SCHOOL LIBRARY

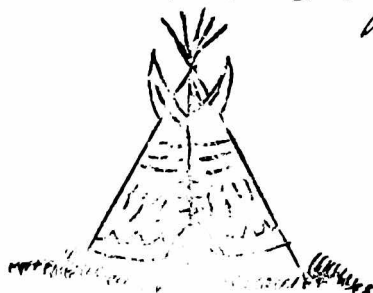

The library of the Lincoln Public Schools, is one of forty-three high school libraries in Nebraska, making the most of the library materials it possesses. It does this through a standard system of accessioning, Dewey classification, and cataloguing.

Author, title, subject and analytic cards are made to add to the value of the small library. The "Standard Catalogue for the High School Libraries" is used as a basis, since it offers uniformity in the classification and organization of the subject matter, especially for high school use.

Vertical files of clippings, pamphlets and picture are being made. Book lists are prepared, and both book periodicals are kept in circulation by twelve student librarians, supervised by Mrs. Elizabeth Short. Reference service, mending and renovating library materials are other services offered in the library.

"The library is the universal laboratory of the school. It is the gateway to the heritage of the past; it provides the horizon for the future."

SENIOR SNEAK DAY

"Early to bed and early to rise makes a person healthy, wealthy and wise." At three o'clock, April 4, a happy group of twenty-four seniors and several sponsors toured to Lincoln. By five o'clock the group had arrived in Hastings. The Dalton's Cafe received a number of nickles and dimes from the group after they had eaten a hearty breakfast. After playing some music, the group again began on their trip. Lincoln, the seniors' destination, was reached at seven o'clock. Morrill Hall was visited by the students. After going through the building in a somewhat hurried manner, the seniors went through the other buildings on the Nebraska University Campus. The State Capitol was toured carefully and a guide told about the symbolism of the decorations of the rooms. The Lincoln Flying School was then visited. By this time it was twelve o'clock and members of the group were looking for food and cafes. The seniors left in small groups. At one o'clock the entire class assembled and visited the Lincoln State Journal printing press. Each individual was free to do what he wanted to do in the afternoon.

Many funny and exciting experiences occurred during the day. Certain girls in the group were walking down the street, when one of them said, "There is your boy friend." All of the girls turned quickly, but only saw a negro! He questioned in a good-naturedly way, "Did you get your eyes full?" The boys found it quite a bit of fun to whistle and speak to all the girls. Some even counted the red-headed people. At six the seniors and sponsors met at the Y. M. C. A. building and then began their homeward journey.

Senior Sneak Day is a thrill that comes once in a lifetime. Everyone made the most of this cherished event.

MAY FETE

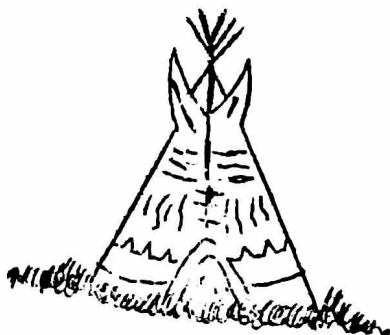

The annual May Fete was held May 2. The rural school participated in track and field events during the afternoon. The domestic science class served a delicious lunch to about three hundred students from the rural schools.

The evening program commenced with a band concert. The concert was followed by the coronation of the king and queen. Eighteen girls dressed in formals of light pastel shades, carried red, white and blue streamers. The girls formed an aisle for the king, queen and their attendants. Following the girls in the daisy chain were the attendants from the various classes. The girls who were attendants wore formals of delicate shades. Each girl carried a beautiful bouquet of flowers. The boys wore dark suits with a flower in their lapels. The flower girls and the crown bearer followed the attendants. Next in the procession were the maid of honor and the man of honor. The king and queen marched slowly behind the other attendants. The king wore a dark suit with a white carnation in his lapel. The queen wore a white silk-organza formal and carried a bouquet of white carnations and tulips. The train bearers were the last in the procession. Music for the processional and recessional was furnished by Mr. Thayer and Miss Bowers. The queen was crowned by the maid of honor and the king was given his scepter by the man of honor. Behind the thrown was the American flag.

The grade school presented a pageant entitled "The Spirit of Progress." This program was closed by the band playing "God Bless America" and the audience singing it.

The girls in the daisy chain again formed an aisle as the members of the royal court marched out.

After the conclusion of this program Mr. Adee presented the trophies to the winners in the track meet held that afternoon. Various awards were also presented to several juniors and seniors for achievements made during the year.

CLASS SONG

THANKS FOR THE MEMORY

Thanks for the Memory
Of campus flowers bright
Notes we used to write
Of golden rules and classroom fools
And answers never right
How lovely its been.

Thanks for the memory
Of days so full of fun
Tho' lessons weren't quite done
Of teachers ways both stern and gay
But we liked them everyone
How lovely its been.

We say goodbye with a sigh now
And goodbyes aren't easy to say
But we go the Arapahoe way
No tears, no fuss, Hooray for us!

Thanks for the memory
For mem'ries linger long
Of laughs and joys and songs
And now we're thru' our thanks to you
How lovely its been.

CLASS POEM

Eyes to the front
Straightforward and clear
Respecting the things
That we all hold so dear.

Hearts to the front
Courageous and true
Uplifting the spirits
Of those who care blue.

Minds to the front
Where they reach for the great
For our future we're eager
So why tarry so late?

Dreams to the front
May God grant everyone
When they all have been granted
Our life work will be done.

The world awaits expectantly
I pray--what can it hold
For those whose past is royal blue;
Whose future is of gold?

Sara Marie Stearns.
