THE 1963 WARRIOR

This year was basically the same as any other high school year; we studied - had fun, went to games, pep rallies, dances and music festivals.

The ANNUAL STAFF has tried to capture these moments by means of pictures and present them to you in the form of the "1963 WARRIOR."

We hope you like the "1963 WARRIOR" and hope you will appreciate it even more in the future when it will not be so easy to think back to 1963.

Education is the golden light that pierces the darkness of poverty and prejudice, inequality and injustice, disease and despair.

It shines as mankind's brightest hope for achieving the permanent peace and universal prosperity that is the goal of enlightened men around the world.

Education is the road to genuine freedom - the freedom and dignity of the individual. I regard education as a continuing process that extends beyond the schools. I only hope that you graduating Seniors do a better job of promoting education than some of our Senior Citizens are doing today.

It has been a great pleasure to have been associated with you for all four years of your high school career.

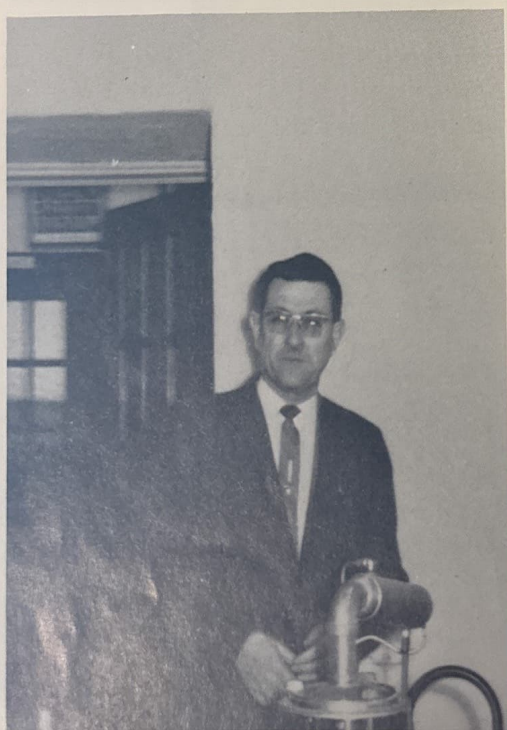

Sincerely,

Dale Ator

Dale F. Ator - Supt.

ADMINISTRATION

This marks the end of another successful school year. To Seniors this means the year of fulfillment. May the future bring you all the joy anticipated and the success for which you have worked.

Sincerely,

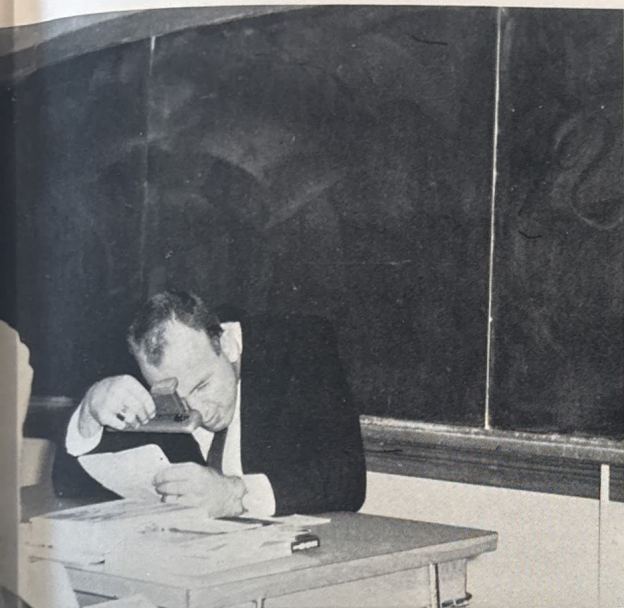

Melvin Giles

Get out from behind that stapler, Mr. Andersen.

"My name is Mr. Hixson."

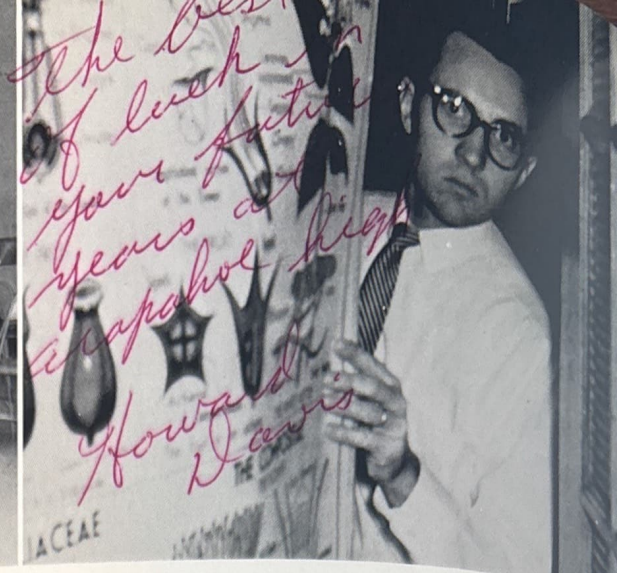

My you're happy this morning, Mr. Smalley.

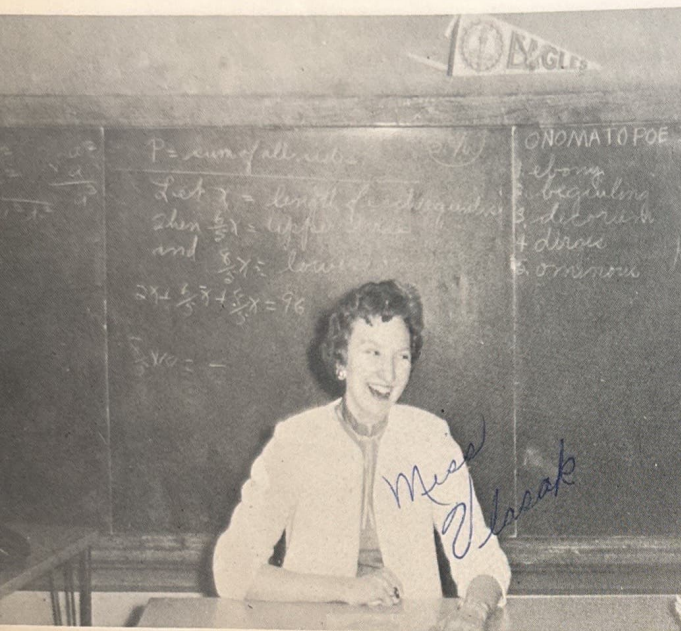

We didn't mean to startle you, Mrs. Edeal.

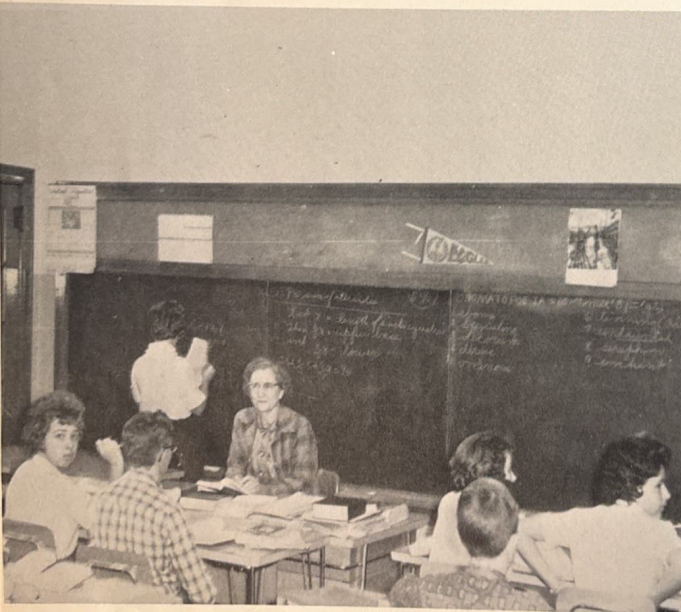

What will be your next number, Mr. Balcer?

But Mr. Davis, we're not selling anything.

"Ja, das ist gut, Miss Vlasak."

You have a nice looking group, Miss Deal.
