The Annual Staff of Arapahoe High School cheerfully dedicates this annual to all students, faculty, and friends of Arapahoe High.

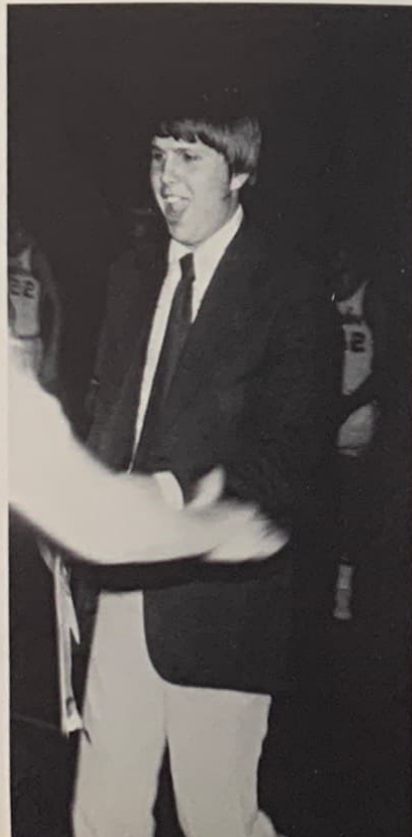

The Co-editors wish to extend a special note of thanks to a good friend of Arapahoe High. Without the help of Mr. Ted Gill, we would not have many of these fine pictures.

The warriors ended their season with a record of 4-5. The warriors found the competition to be very tough, with Cambridge dominating the West RVL but falling victim to the tough Alma Cardinals in the final. There was only one All Conference player on the team, Bill Snyder, who received honors at both offensive and defensive tackle. The seven seniors would like to thank Coach Pederson and Coach Melson, and wish the warriors the best of luck next season.

We'd like to congratulate Darcy and Carla in their fine efforts at the RVL Volleyball Tournament. Darcy was chosen for the All-Tourney Team and Carla as alternate to that team. Next year the volleyball team will miss these two fine seniors and five others that added greatly to the team. However, with the returning underclassmen we know they will have a great season.

The girls Basketball Team really put it together this year. They finished their season with a 11-1 record, the only loss coming early in the season to Lexington. But beat Lex. in the final of the AHS Invitational 39-34, in one of the most exciting games of the season. Darcy, the only senior out for G.B.B., was picked by both the Lincoln Star and the Omaha World Herald as the top player in Class C. She was selected to the Class C All State Team and to the Super State Team. GOOD JOB GIRLS!

The Warriors couldn't quite put things together this year. The shooting average of the team was down considerably, and although it wasn't the year we were hoping for the boys worked hard, ending the year with a five and ten season. Even though the losses seemed to exceed the wins, the Warriors kept their spirits up, and never gave up a game.

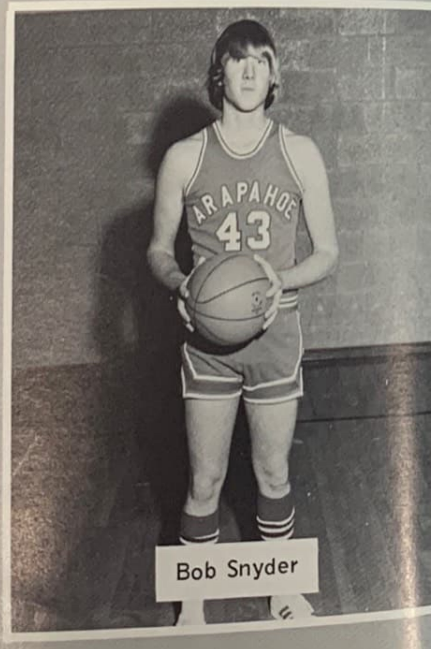

Doug Monter received honorable mention on several occasions. The seven graduating seniors would like to wish the next year's basketball team the best of luck.

Future Homemakers Of America

The 74-75 year opened with the annual freshmen surprise breakfast and initiation on the football field. The District Convention was held at Red Cloud in October. Cindy Collins was installed as District historian. Our poster and nametag designs each won third place in the district competition. For the second year the chapter sold House of Lloyd products. The marquee, which the FHA helped plan and pay for, was also erected last fall.

The FHA Spring Installation Banquet April 7, 1975, helped put the final touches on another busy year for Arapahoe FHA members. The evening's program included a humorous book review on Erma Bombeck by Mrs. Vivian Simons from Cambridge. The program concluded with the traditional installation. The newly installed officers attended State Leadership Conference in Lincoln, April 21-22, where Chris Kluck was elected District VI historian.

Senior Class Plays

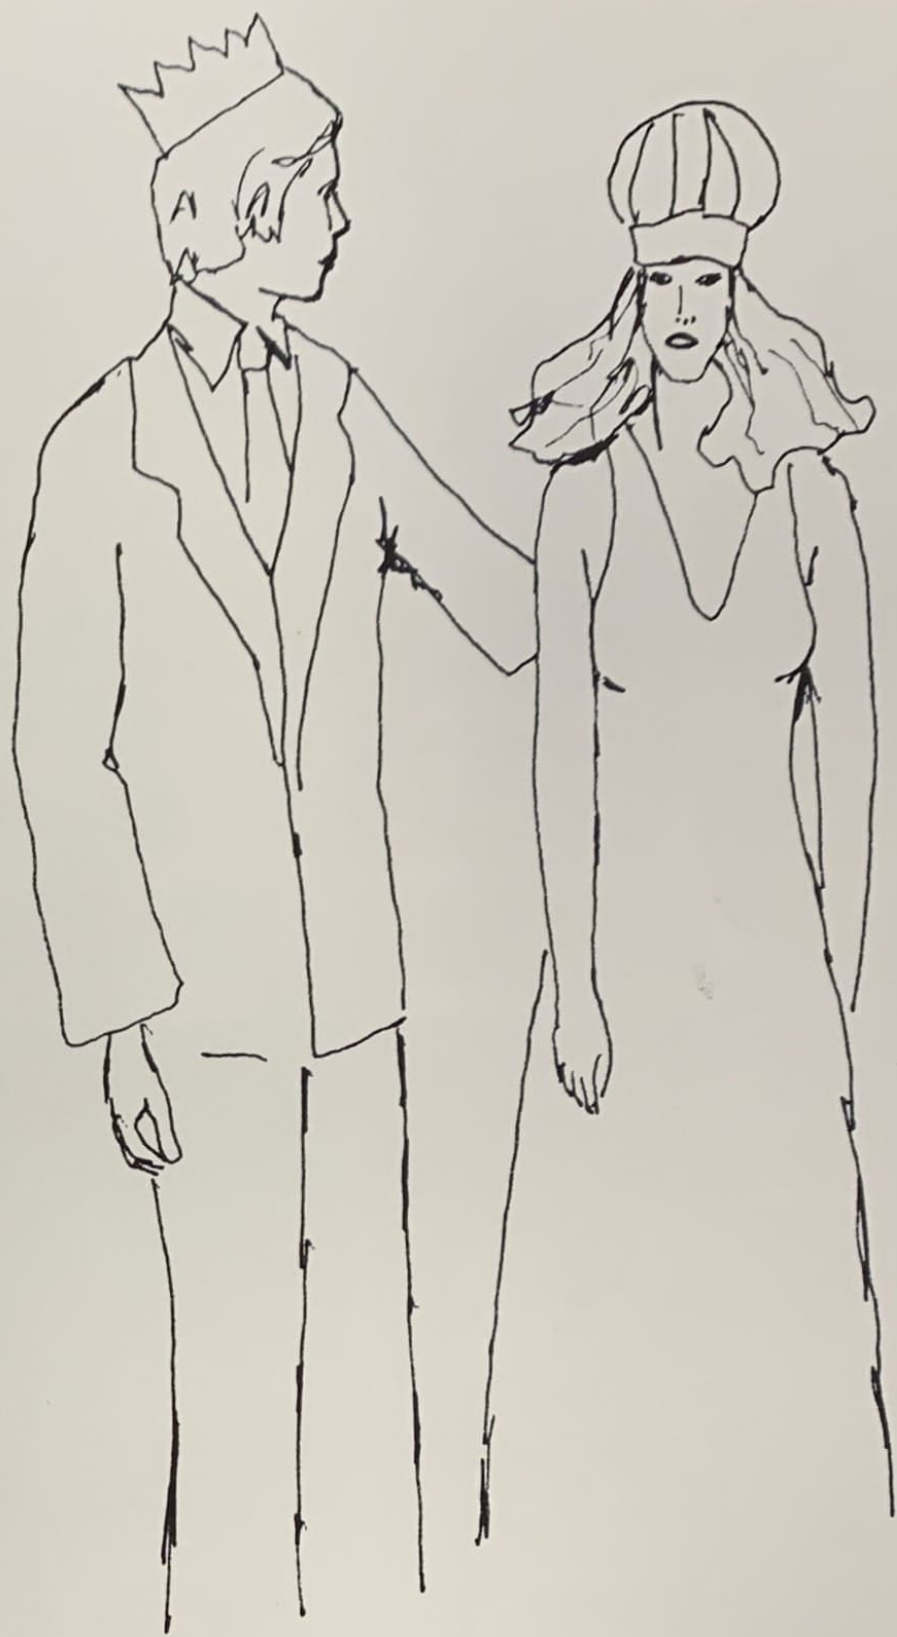

"Seven Wives For Dracula" And "Frankenstein Slept Here"

The Seniors of '75, after deciding to make their class play an original and memorable one, chose two meller-dramas: "Seven Wives for Dracula" and "Frankenstein Slept Here." The plot for "Seven Wives" is set in Dr. Seward's Sanitarium for the Disturbed, which includes Mrs. Half-Nelson, the Odd Sisters, and mad Renfield—who eats flies. A peculiar Count and Countess Dracula have moved into the neighborhood, and peculiar "things" start happening to Lucy, Dr. Seward's daughter. Dracula is finally unmasked as the culprit, and Dr. Van Helsing, vampire specialist from Transylvania, drives a stake into his coffin. It seems as if all is well until Dr. Seward goes back to check the coffin and finds Dracula with the Countess, unharmed. It is then that mad Renfield, in Dracula's service all along, sits up in the coffin and gives the clincher: "Some of my best friends are bats!"

The Second melodrama, "Frankenstein Slept Here," opens in Castle Frankenstein where Baroness Frankenstein and Igor are restoring the Frankenstein monster. It will be the Baroness's greatest achievement, but work is cut short when a message comes announcing that Mrs. Hannah Hoople, owner of the castle, from Pottsville, Penn., is coming to inspect the castle. This creates a state of chaos because Baroness has used all the money for experiments and now each of the castle's residents has to become a servant. Igor is the handyman; the mummy, a butler; Phantom Bride, the cook; Vampira, Medusa, and Jacqueline Hyde, maids. Meanwhile, Baroness tells Igor that she must be the first person the monster sees as then he will think she is his mother. Mrs. Hoople is terrified by what she sees until she meets the Werewolf and falls in love with him. They depart for their honeymoon, leaving her niece Pauline and her husband Ted behind. As they leave the room Ted turns off the lights, but actually hits the switch that activates the monster. The Frankenstein monster's only words as he goes after the retreating Ted and Pauline are: "Mama, Papa."

The fantastic Freshmen of 74-75 had a normal year for some of us. We had two meetings; electing officers and planning our party. There were few who went to parties but when it came to ours no one showed up. We did have a roller skating party in March. But a few rolled away. Ten people showed up besides our two class sponsors, Mr. Wergin and Mr. Hinds. Then we went out for pizza afterwards. We had some good times this year.

The Super Sophs of '75 had a basically good year. Outside of our usual antics we managed to have three class meetings, one money-making project and zero class parties. Mr. Estergard and Mr. Melson deserve a lot of credit. They were very good sponsors, standing by patiently while we drove them crazy. We somehow survived the evils of geometry, and the panic that strikes when you suddenly realize that you have half of your typing assignment left to do, and five minutes to do it in. Yes, our great sophomore year is behind us now, and when the doors of AHS open once again, we will return as juniors, waiting somewhat impatiently for the year 1977 when we will reign as top dogs.

At our first official meeting we chose the style of class rings we wanted and spent the next three months anticipating their arrival. In the meantime we became the diligent candy peddlers and made mucho dinero. Our next project was the concession at the Arapahoe Invitational Track Meet. With all this money held in our hot little hands we proceeded to spend it on prom. The theme was "Pieces of April" and the band was Phoenix. Now that the excitement is over, we are impatiently waiting next year when we move into the ranks of seniors.
