Arapahoe Journalism Class

Annual Editors: Synoma and Bret

The journalism class published six issues of the Warrior during the school year. The first issue was rather slow in coming out but was finally completed in November. Once some of the techniques were learned later issues were completed more easily. Arapahoe Public Mirror Editor, Ted Gill, instructed the students in printing and publishing techniques so that by the end of the year students were able to complete the paper by themselves. Articles for the Warrior were written during journalism class. A 35mm Pentax Camera was purchased and several members of the class learned to develop and print pictures.

District Speech Contest Members

Speech class members participated in the District Speech Contest, Lower Republican Natural Resources District Speech Contest, Alma Workshop and the R.V.L. Speech Contest at Oxford.

Kurt Williamson and Shelley Schutz participated in duet acting and qualified for the State Speech Contest with their rendition of "Here We Are." Area residents were able to see them perform on several occasions.

The Arapahoe High School Future Problem Solving Team, Senior Division, completed a very successful year. Three practice problems were completed during the year and the Arapahoe Team was the only one to place in the top ten in all three problems. The final problem qualified the team for the National Future Problem Solving Bowl held in Lincoln, Nebraska where the team placed fourth.

 It was . . . a time of inner sense . . . a time of confidences.
 Long ago it must be . . . I have a photograph.
 Preserve your memories. They're all that's left you.

Chaplain: Allan McCoy
