UNDERCLASSMEN

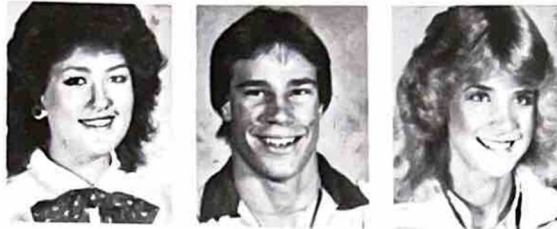

As Freshmen, we became involved in the high school scene. Conquering our fears of upperclassmen, we enjoyed many activities -- some of us even made the varsity squads!

We Sophomres were more sure of ourselves and really enjoyed a year of fun. Sometimes we even studied!

As Juniors it was a busy year. The classes became tougher, and that prom was a big job. Many of us passed our Driver's Tests and caught up with those oldies who had passed last year. We're all looking forward to that big Senior Year!

The Junior Year of high school can probably be described as the most difficult and the most time consuming of them all.

During the Junior year of high school you are faced with many more responsibilities and more obligations. Harder classes are required which take more time and effort.

Despite all the responsibilities the 1983 Juniors had with school work, they had even more obligations that they needed to pursue.

The Junior class play was one of them. Nearly all of the students of the class were involved with this. After school and sports practices, the Juniors had to spend their evenings practicing the play. After all the time and effort spent on the play, "How The West Was Fun," turned out to be a great success.

Next, they started thinking about Prom. The first thing they realized was that it was very necessary for them to have some money-making projects.

One of these projects was Candy Sales. This took a long time and a lot of work but turned out to be a very profitable project for them. They also had begun collecting cans at the beginning of the year till the end to help support the prom.

"The Night Of The Dragon," was the name of their prom. They spent many long hours preparing for this, which included four work days and an all-day work day just before prom. After all the long hard work spent on this, it turned out just like the Juniors wanted it to.

Now their Junior year is all over with and it is time to go on to bigger and better things. Responsibilities and new obligations again will have to be met, but only now, as a Senior.

The Sophomore year was an important step. The second year of high school life, with eleven years behind them, many start to drive, work, and take on new responsibilities. With these new responsibilities came new privileges: Having one's own money from working, having a lot more freedom, and being able to drive around, legally!!

The Sophomores are not allowed to participate in any money making activities, but do take part in sports and many other activities.

Their Sophomore year will also hold many memories of their many accomplishments. The class of '85 will long be remembered for their outstanding spirit at pep rallies, their wide participation in sports and music, and for their hard work in many organizations.

Some of the sophomore class will remember that special prom night when they served the meal to the juniors and seniors.

The sophomores also had begun planning for a great prom themselves by setting their dues at \$10.

What Do You Want?

Yea! I'm a Freshman...
What's it to ya?

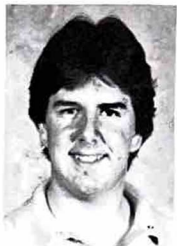

The Freshman year of high school is one of the hardest, as far as making the adjustment from jr. high to high school.

Freshman are required to take classes in English, World Affairs, Speech, Math, and Science. They are offered several electives besides these classes, which include; Art, Band, Spanish, Home Economics, Shop, Library Science, and Music. In a survey taken of all Freshmen the most favored classes were, Algebra, English, Art, and Study Hall.

In Coming Freshman usually find the change from jr. high to high school a big change in their lives. This is because of many classes and activities they are allowed to participate in. Freshmen also meet a lot of people and make friends with new classmates and upperclassmen. They are introduced to new teachers and administrators and become involved with new social experiences.

For some, the idea of going to high school seems scary and they think it will be hard, but others think it will be fun and easy. The Freshmen soon find out that high school really isn't that hard and at times can be a lot of fun.

Given a chance to expand interests and pleasures, individuals were able to involve themselves in various AHS clubs and events to further their hobbies, skills, and social development. Helping to better the individual, school, and community, these clubs provided worthwhile activities and offered students a chance to explore special interests.

Students Tease Their Brains with Future Problem Solving

Future Problem Solving is a program designed to give students a chance to make decisions and suggestions, on how to handle problems that could possibly arise in the future.

AHS was represented by two senior teams this year. Problem Solving Group I was coached by Mr. Martin, members were Shawn Davis, Sue McCoy, Rob Mueller and Jamie Mues. Problem Solving Group II was coached by Miss Kanost, members were Ryan Lieske, Todd Schutz, Scott Weber, Nancy Schutz and Julie ten Bensel. Tim McCoy worked with the Jr. High in the intermediate team, which was coached by Miss Kanost also.

This year's problems dealt with Ocean Communities, UFO's and Robotics. Neither of the senior teams was selected to go to state, but Tim McCoy, and the intermediate team went to state in their division, and received a fourth place rating.

Student Council Hosted Career Day

The 1982-83 Student Council members were [l to r] Shawn Davis, Donna Hilker, Curt Breinig, Debbie Fitzke, Troy ten Bensel, Shana Dawson, Terry Polston, Tammy Schroeder.

Part of the Student Council's assignment was to control 'students' like those above.

The Student Council had a fairly inactive year but managed to host Career Day and the Homecoming Dance. The president of Student Council this past year was Shawn Davis and vice president was Donna Hilker. Advisor Steve Martin has a full slate of activities planned for the council to sponsor next year.

The Arapahoe Chapter attended the annual FHA Convention on October 20, 1982.

The members competed against many surrounding schools in such categories as Creed Interpretation, Creed Speaking, Tools for Decision in the displays, and a drama on Teenage Pregnancy, and Healy Babies.

Arapahoe followed Elwood with a second place finish.

The Future Homemakers of America, under the direction of Marilyn Martin, had a busy year exploring, and growing from their activities and projects this year.

The members also had three main money making projects. They raised money for Cancer Research, sold Watkins Products, and had a Carnival.

At the end of the year the officers were chosen for the upcoming school year, and were inducted at the annual FHA Banquet.

Each of the thirty-seven girls in FHA, played a successful role in the carnival, held on January 20, 1983. The event was held in the small gym, with seventeen booths in operation, by members of the FHA.

There were booths for every age which included Fishing, Pin the Tail on the Donkey, and the Bean Bag Toss for younger kids to the Cake Walk, Basketball and Football Toss for the older students.

The most popular booth was the Sponge Throw, where seven different teachers took turns being the target of sopping sponges.

Bingo was held on the stage for the parents, and refreshments were served for all.

The group put a lot of hard effort into the preparation of the carnival. It not only raised money, but helped to involve the community members, younger kids, and other students, as well as the FHA members.

F.F.A. Has Productive Year

The Arapahoe FFA Chapter, Under Advisor Dave Sich, had a very successful year. Kevin Watson helped his welding team receive top honors at Districts by placing second individually. The livestock management team consisting of Sonya Tiedje, Trudy Anderson and Kevin Watson, placed 16th at state competition. Kevin Watson and Trudy Anderson, both showed leadership qualities throughout the year as Chapter officers. The FFA Chapter had a very respectable year but looks forward to next year with hopes of greater success.

Speech Team Proves to be Successful

The difference between the right word and the wrong word, is like the difference between lightning and a lightning bug. Speech helps you to find and use the right words to help your presentation be more pleasing to an audience.

Communication is a very essential part of education. Being able to speak right builds up your confidence to speak in front of others.

This year the speech department had a total of seventeen members, consisting of nine seniors, one junior, four sophomores and three freshmen.

The speech team was very successful this year, they participated in many contests and brought home several awards that silently applauded all their hard work.

This year's speech team, under the direction of Miss Jean Didriksen, consisted of: Tony Hinz - Duet Acting and One-Act Play; Chris Koller - Duet Acting and One-Act Play; Rona De Guzman - Informative Speaking and One-Act Play; Kirby Mousel - After Dinner Speaking; Ron Markus - Serious Prose; Suzanne DeVries - Poetry and One-Act Play; Tracy Bellamy - After Dinner Speaking and One-Act Play; Marveen Smith - Humorous Prose and Oral Interpret of Drama; Connie Porter - Serious Prose; Angie Swanson - Humorous Prose and Oral Interpret of Drama; Nancy Schutz - Extemp Speaking and Oral Interpret of Drama; Shana Dawson - Extemp Speaking; Sara DeVries - Original Public Address and Oral Interpret of Drama; Sonya Tiedje - Poetry; Dana Hutchens - Original Public Address; Joe Coakley - Informative Speaking; and Gina Wolzen - Oral Interpret of Drama.

Miss Jean Didriksen explains how active the speech team is and how the experience now will help later.

Pep Club watching the action.

The 1982-83 Pep Club did a fine job representing our school and supporting the guys at the games. During football season there were class competitions held at the pep rallies. The most spirited class won the "Coug" (the spirit frog). The Pep Club members that were really crazy and had a lot of spirit at the games and during the week would win a chocolate bar in recognition of their spirit. Another new spirit raising activity tried was the choosing of Secret Pep Pals. Each girl was assigned a male athlete in order to boost his spirits during the winter sports season. Everyone had fun trying to remain anonymous while raising spirit. The Pep Club tried a lot of new things this year to show their pride and spirit for A.H.S.

Her Spirit Never Dies

After four years as the AHS Warrior mascot, Tracy Bellamy retired her headdress. Arrayed in many costumes Tracy brought spirit and enthusiasm to the pep club. She also aided the cheerleaders in their many activities, aroused crowd involvement and brought smiles to the faces of anyone who watched her.

Tracy's gimmicks included riding her hobby horse around the track, painting her face half blue and half white, dressing up like Rocky, covering herself with socks and wearing a sign that read "Sock it to 'em Warriors", coloring her hair blue and wearing a cut out basketball on her head. She had props for almost every chant possible and was always thinking up new ideas to raise spirit. Her most famous spirit raiser, "cookie time", will always be remembered by the pep club and the fans.

Tracy's gimmicks have made memories that will never be forgotten and will bring a smile to the face of every person who remembers when Tracy...

The Spirit of AHS

The 1982-83 cheerleaders started their year off last summer beginning with preparation for summer camp. Their hard work paid off, when during camp, they qualified for the state and champion finals. Along with many group awards, Head cheerleader Brenda Swanson was recognized throughout the week for her outstanding spirit and received the "coog" or spirit frog. The squad also acquired the dynamite stick for displaying super spirit during the week.

Under the leadership of new pep club - cheerleading sponsor, Gayle Schutz, the cheerleaders worked diligently throughout the year planning many activities to boost school spirit. Some of their accomplishments included planning and exhibiting a successful homecoming week, increasing spirit at pep rallies and mastering new and impressive mounts.

In preparation for the winter sports season, the squad attended a one day clinic in Kearney in which they did well by receiving second place trophy and many ribbons to add to their assortment.

We Got The Beat

The National Cheerleading Association camp held last summer proved to be a great success for the 1982-83 A.H.S. Drill Team.

Their hard work began last spring when four previous members returned; Captain-Ling Polston, Co-Captain-Lisa Beedle, Ginger Schelling, and Peggy Magnus. Chris Koller, Wendy Breinig, Kelly Farr, and Karla McCann were the four newly elected members. These eight members had a very successful and provocative year.

The Drill Team's hard work began last summer when they had a dunking stand over July Fourth Holiday in the park, a car wash over at the city building, and sold helium balloons on Homecoming as their money-making projects.

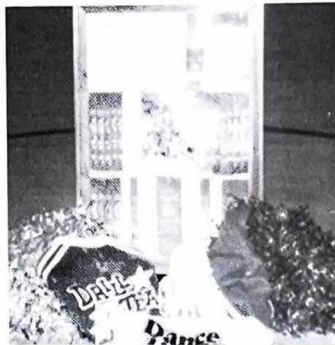

At camp the girls received a number of ribbons for their hard work and learned a numerous amount of precision and dance routines.

"How The West Was Fun" Gallops to Success

The junior class, with the aid of Miss Didriksen and Miss Hejny put on their first debut on November 23, at 8:00 p.m., when they presented HOW THE WEST WAS FUN.

The "all star" cast consisted of Rod Whipple, Curly; Kevin Watson, Lobo; Angie Swanson, Miss Lilly; Jason Anderson, Sgt. Major Tyree Turwilliger; Jodi Draper, Ms. Claire; Debbie Fitzke, Sally; Curt Breinig, Dr. Samuel Sasquach; Alanna Schutz, Princess Grinning Fox; Julie ten Bensel, Gold Crust Gertie; Joanne Coakley, Kae; Sue McCoy, Eve; and Jan Chamberlain, Maudie.

Ginger Schelling, Lisa Beedle, Wendy Breinig, Linda Miller, and Lisa Durner, were dance hall girls. Tedd Watson, Randy Breinig, and Shane Hilker were soldiers. Mike Hockemeier, and Dennis Walker were saloon keepers.

"How The West Was Fun" was written by James L. Seary. The play takes place in the late spring of the year 1876, at the Red Stocking Dance Hall, in Prairie Dog, Kansas.

Curly and Lobo, a couple of trail-weary cowboys, stop by Ms. Claire Du Loon's dance hall. She sells the snappiest sarsaparills on the Abilene Trail. The beautiful girls work for her as the pride of the West. Poor Curly has the misfortune of falling in love with Miss Lilly, the lovelist of these lovelies.

Members of the Junior Class Play are: First row [l to r] Lisa B., Ginger S., Angie S., and director Miss Didriksen. Second row [l to r] Wendy B., Linda D., Debbie F., Jodi D., Joanne C. Third row [l to r] Curly, Rod W., Sue M., Mike H. Fourth row [l to r] Randy, Jason A., Shane H., Kevin W., Dennis W. MUSIC MAKERS

The Music Department at A.H.S. had a very busy but highly rewarding year. It attended both R.V.L. band and music clinics and held several concerts throughout the year.

Hours of hard work and effort were put in while practicing for district music in McCook. All the hard work paid off though when the ratings were announced. Arapahoe's music department was the victor of several superior and outstanding ratings.

Receiving I's were French Horn Solo, Jazz Band, Brass Ensemble, Girls Triple Trio, Girls Duet, Double Sextet, and Piano Solo.

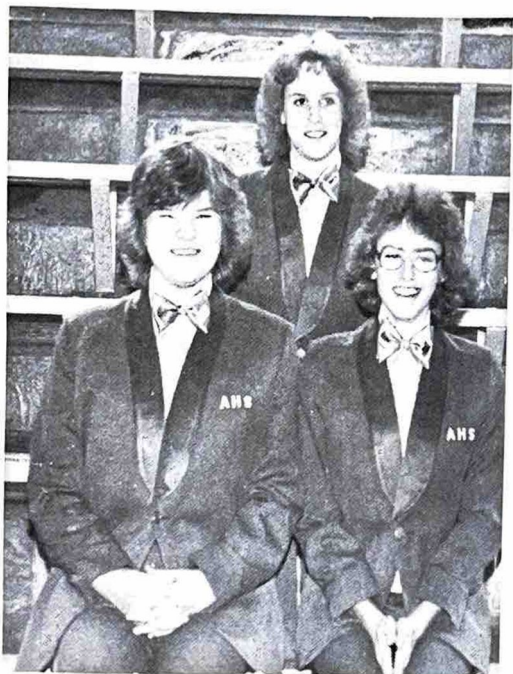

Those receiving II's were Girls High Voice Solo, Flute Solo, Percussion Ensemble, Clarinet Quartet, Clarinet Trio, Alto Sax Solo, Girl's Quartete, Swing Choir, Tenor Sax Solo, and Mass Band.

The single III rating was given to the Flute Quartet.

This year after years of use the old band uniforms were put to rest and replaced with new ones. The new uniforms were purchased by the band parents and the school.

Everyone gathers at the White House to persuade Helen to announce the election results.

On March 25, 1983, the Senior Class presented a three-act comedy called "The High White Star."

The plot evolved around the fate of students who get caught cheating on a quarter exam. Scoop, who wasn't cheating at all, gets kicked off the newspaper by Editor Helen White. Ted loses the presidential election as a result of his cheating escapade.

The guilty party is revealed later that night at Helen's home when the whole class shows up curious about the election results. A cheat sheet falls out of Patty's purse, thus eliminating her from the presidential race. All ends well, as Rick becomes president and Scoop is able to return to his newspaper position.

Miss Collins and Mr. Steele discuss the election results with Helen.

Sandra gives Ted her support for president, while Scoop studies for his final exam.

"Only Time Will Tell", was the theme for the 1982 Homecoming activities at Arapahoe High School.

The daily activities included Hat Day, Half-n-Half Day, Twin Day, and Over-all'em Day. Many competitions, including a tug-of-war, three-legged race, and bubble gum contest, were also held during the noon hours.

On Thursday, as the sun descended on the Warrior school, a small flame was building. The ardor was growing and the bonfire, with its rally, had started.

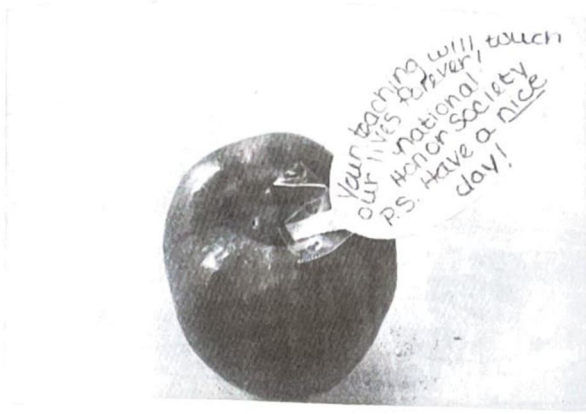

The winners of the showdowns were announced, along with the Feed the Bonfire competition. The decorating contest took place Wednesday night at the school.

The big day finally had arrived, Homecoming Day was here. Friday's activities didn't really get started until coronation, which began at 1:30 p.m.

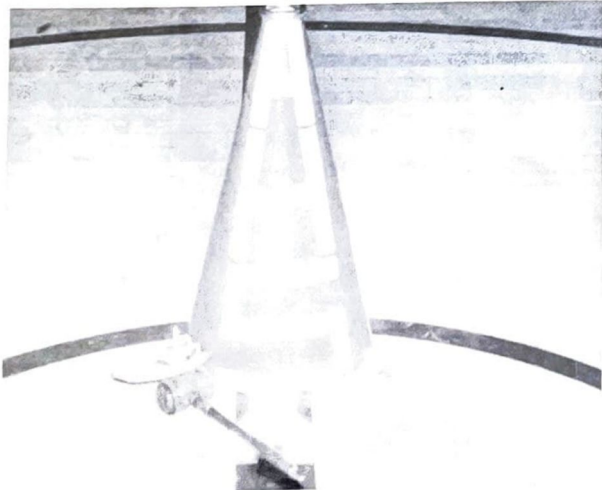

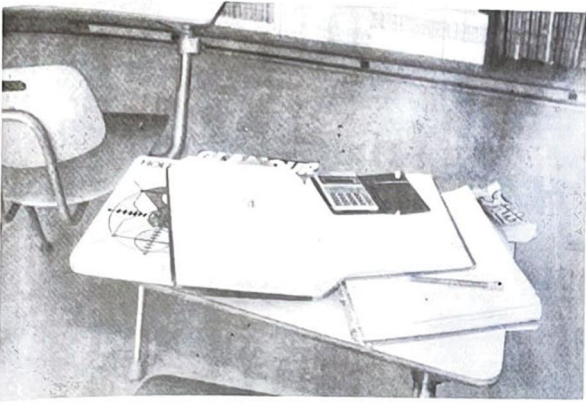

The final moment everyone had been waiting for was now reality. The royalty were finally announced. Wendland and Miss Monter were crowned King and Queen, while Hinz and Miss Warner received the honors of Prince and Princess. Toby ten Bensel and Julie McCoy, last year's royalty, crowned Wendland and Miss Monter and the crownbearers for that afternoon were Kim and Kelly Metzger.

The parade followed the coronation and was topped by the pep rally held downtown.

Thrilling victories and depressing defeats climaxed a year of excitement in Warrior athletics. Sports are a major part of many lives during the high school years. Students, faculty, and members of the community find involvement in various aspects of the sport scene. There were several highlights of AHS athletics this year -- conference and district fame was captured by many Warriors and Warriorettes. Showing Warrior pride, every AHS athlete strove for the ultimate goal of of victory!

Warriorettes Quest Ends at Districts

Head Coach Lynn Robinson

The 1982 AHS volleyball season began in August with 41 girls coming to the first practice, each with goals they wanted to achieve.

During the first week of practice, four hours a day were devoted to sweat and hard work.

The season started out great with the Warriorettes winning their first five games, going undefeated into the Maywood Tournaments.

At the tournaments, the netters came out victors of three games and placed first, marking of the first

steps toward Lincoln. The matches against challenging foes continued chalking up more victories on the scoreboard. The lady Warriors attack was not a total success though, as the Benkelman Tigers pushed them to defeat. This proved to be a low point in the season as the team went to RVL, and lost the semi-final game to Bertrand.

The Arapahoe team then took timeout to evaluate the game strategies and to regain confidence. This proved to be effective as they skimmed past the Republican Valley Mus-

tangs, 2-1, receiving third place in the tournament.

Filled with new confidence and spirit the Warriorettes continued on to win the rest of their games. Thus receiving a second seating at Districts, behind Franklin. The Lady Warriors defeated Oxford and Elm Creek, 2-1. They then fell to Overton in a devastating loss, ending the season as District runner-up.

A school record was broken for the most wins in a season, with the final record being 14-3.

This year's Tough-Twenty football team, under the direction of Nate Stineman, recorded a 3-6 record for their efforts throughout the 1982 football campaign.

The Warriors quickly got off the ground when they dumped Medicine Valley 8-0 in the season opener.

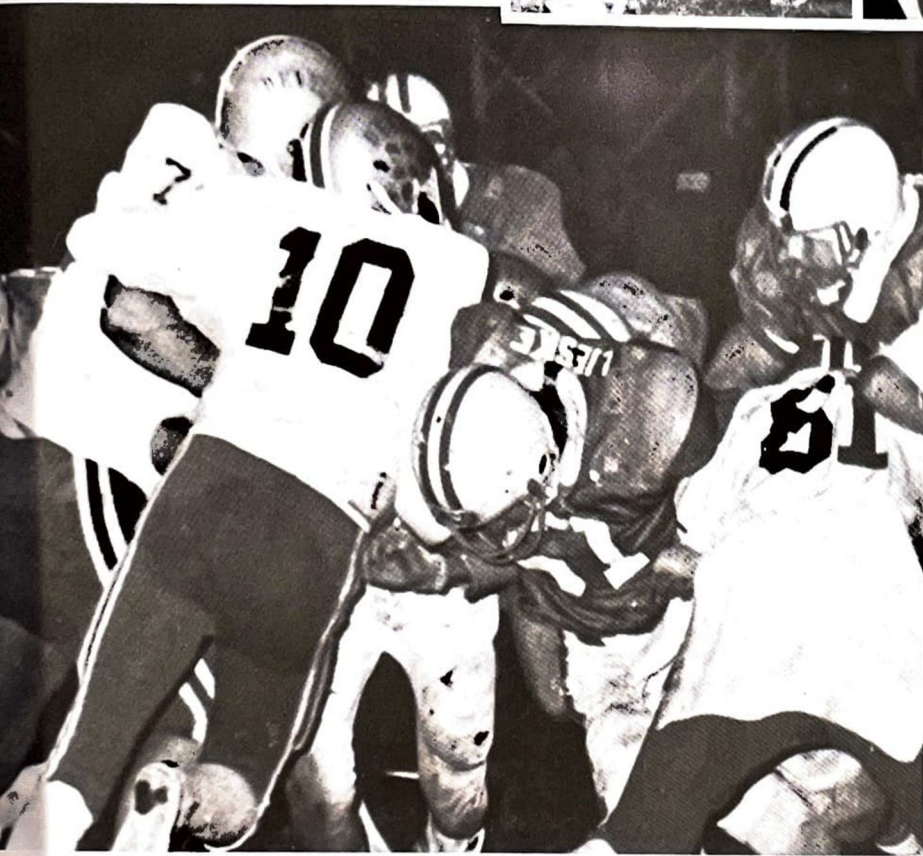

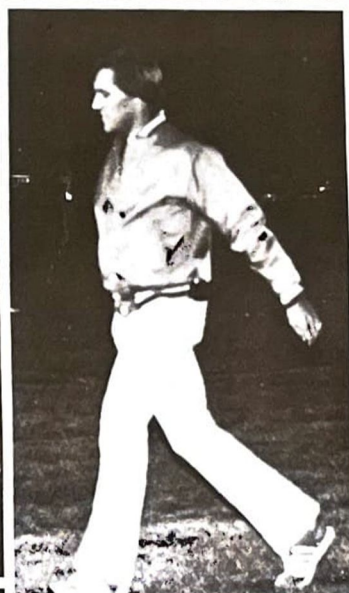

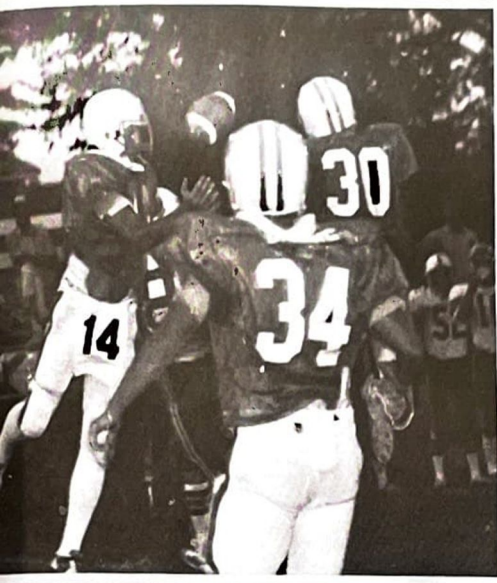

Though the Warriors improved each week, they only managed two more wins. During the Benkelman game Jeff Cross made an outstanding fumble recovery play for a 56 yard touchdown, the first of his varsity career. Later, Eric Biesecker dove into the Tiger's den and again made it far enough to chalk up another one for the Warriors. The score ended up 14-6 with Rod Whipple, Curt Breinig, and Kevin Watson leading the defensive attack for the night.

With a new variation in the line up, the Warriors jumped ahead of the Trojans 6-0 late in the first period of play when Shane Hilker scored for the Warriors on a 35 yard scamper

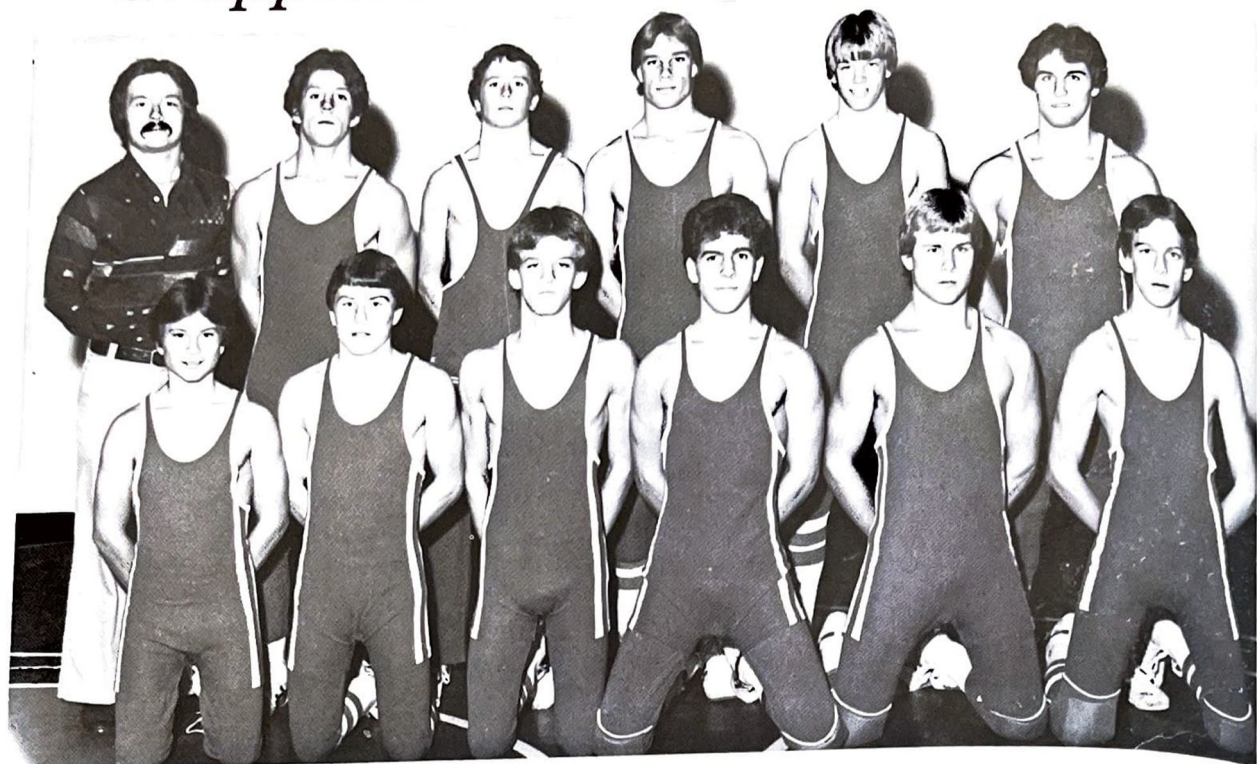

then each team's defense tightened up until Rod Whipple scored on a four yard run in the fourth period, to put Arapahoe up 12-0. But the Trojans didn't give up as they marched the ball 63 yards for a touchdown, to make the score 12-6. Arapahoe got the ball once more but failed to materialize before the clock ran out, leaving the score 12-6 at the end of regulation time. Kirby Mousel, Eric Biesecker, Kevin Watson and Shane Hilker led the stops defensively.

Although Homecoming for the Warriors was a loss to the Blue Devils, 34-12, Coach Stineman credited the team with "playing the best football of the year during the first half against Kenesaw."

The Alma Cardinals capitalized on the Warriors with big plays and hard running with a win of 35-8. top defenders for the night were Kirby Mousel, Jeff Cross, Kevin Watson, Scott Weber, Eric Biesecker, Rod Whipple, and Mick Stagemeyer.

The 1982-83 Wrestling Team finished the year with a successful winning season. Coach Barnes and the team sent three qualifiers to the State Meet to be put up against tough competition. They were: Will McBride-Senior; Shane Hilker-Junior; and Mick Stagemeyer-Sophomore. Even though the team was young they brought home five team trophies and many individual medals. Will McBride ended his career by earning the "all time take down record" of which he had 54. Captains for the team this year were: Senior - Shawn Davis and Junior - Shane Hilker.

Warriors Unload in Tourney,

The 1982-83 Boys' basketball team came up one game short of a winning season by posting an 8-9 record for the year. Though having an up and down season, the Warriors peaked at the right time to claim third in the RVL tournament.

Leading scorers for the year were, Senior Bryce Wendland with a 12 point game average and Junior Curt Breinig with a 10.5 point average. Leading in assists were Sophomore Scott Weber with 89 and Curt Breinig with 74, for year end totals. Bryce Wendland and Junior Randy Breinig topped the Warriors rebound charts with 201 and 127 respectively.

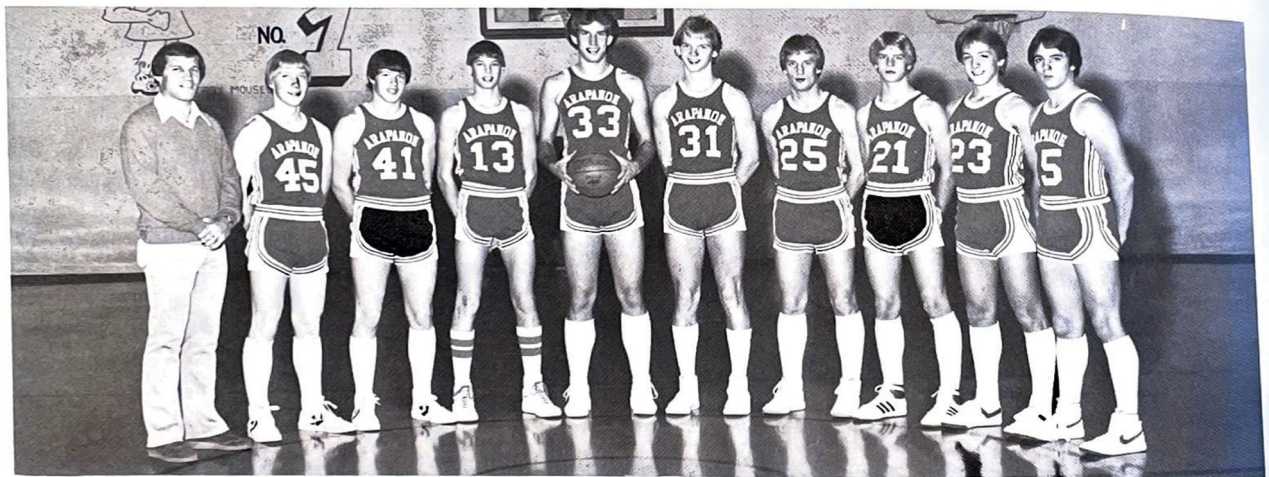

Senior Bryce Wendland was named to the second team all-conference selection for his efforts during the year.

The seniors contributed plenty to the Warrior cause this year but the outlook for next year is high as Coach Zysset will have three returning starters and six lettermen in which to build a team.

Coach Pushes Warriorettes Up Ladder Of Success

Coach Glen Vannier took command of the 1982-83 Girl's Basketball team this year assisted by Laura Heins.

With seven returning letter women, six seniors and one junior, the year looked successful, and successful it was.

The R.V.L. Tournament held in Republican Valley was full of excitement for the girls. First of all, since they had never gotten passed the first bracket before, getting into the championship bracket was unbelievable. The Warriorettes put it all together that night as they beat Oxford by eleven points, which earned them the R.V.L. Championship trophy.

Hopes were riding high as the girls battled their way in the District Tournament at Loomis. Their State hopes were cut short however, as they met Franklin in the District Finals. Victory wasn't to be the Warriorettes this time as they came up three points short as the final buzzer sounded.

Even though the girls didn't make it to State, three of the girls were honored with places on the R.V.L. All Conference Teams. Those honored were; Tracy Bellamy - First Team All Conference and State Class C Honorable Mention, Sheila Warner - Second Team All Conference and Linda Polston - Second Team All Conference.

For the first time ever the girls experience the "taking down of the nets" after the championship game.

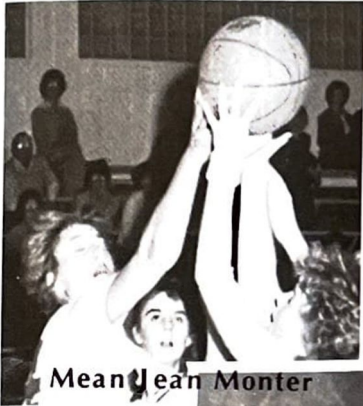

Hugging sometimes doesn't take away the pain of defeat.

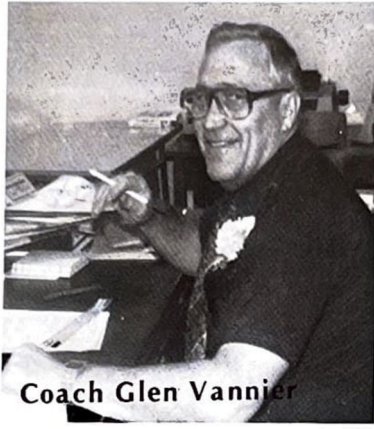

Accomplishments for the 1982-83 Warriorettes included the District Runner-Up plaque and the RVL championship trophy.

1983 proved to be another successful year for the Warriorettes as they captured their fourth consecutive RVL Conference title. Experienced seniors, talented freshmen and hard work from the entire squad produced the right combination for victories both as a team and individually.

The tracksters brought

home a first place trophy from every meet they entered, until they came up against highly rated Hastings St. Cecilia at the Alma Invitational. They received the runner-up trophy, breaking their streak of 16 straight regular meet championships. The Warriorettes went on to place 3rd at Districts.

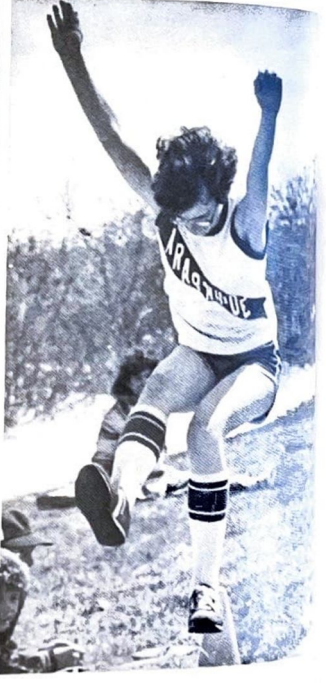

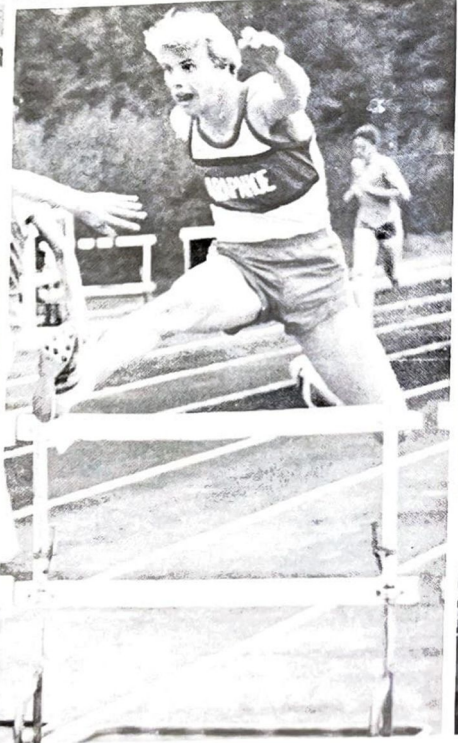

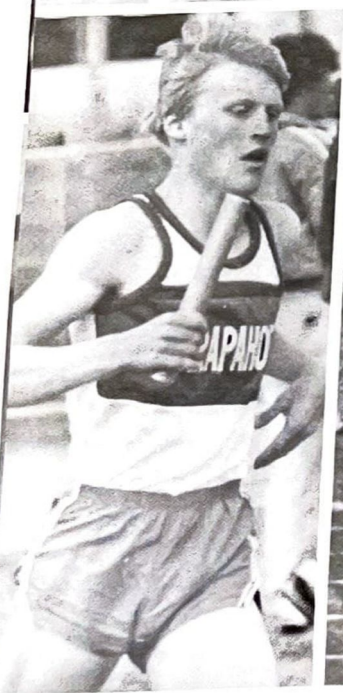

School records were set in the 100 meter dash by Tracy Bellamy - 12.8; 200 meter dash, Becki Hinton - 27.7; high jump, Linda Polston - 5'3"; shot put, Annette McCann - 38'7"; and discus, Jean Monter - 140'9". Jean's throw also placed her on the Nebraska all time best throw top ten list.

On the Warrior side of the ledger the boys may not have won any trophies or set any new school records, but the determination and hard work they displayed showed that they were truly winners. With only two upperclassmen the younger team members showed their potential by improving their times, jumps and throws throughout the season.

The 1600 meter relay of Scott Weber, Jeff Cross, Todd Schutz, and Shane Morse and the 3200 meter relay team of Weber, Morse, Schutz and Eric Biesecker ran competitively during the season with times of 3:45.3 and 8:49.2, respectively. Freshman Jeff Cross was also competitive in the triple jump with his best leap being 41 feet and one quarter inch. Senior Eric Biesecker also ran the open 800 and 1600 meter runs.

Senior Girls Participate In State Meet

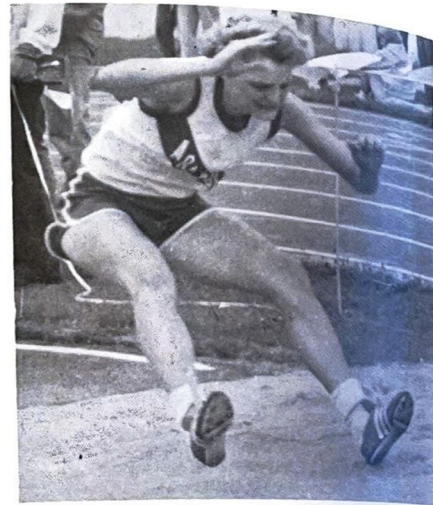

Four senior lady Warriors qualified for the Nebraska State Track and Field Championships held in Omaha.

Four year qualifier and returning state champion, Linda Polston, competed in the long jump, but failed to make finals with a jump of 15'7". Polston also entered the high jump, but went out of the event when she missed the bar at 5'.

Jean Monter ventured to state for her third year to defend her state title. Rainy conditions hampered Monter's performance with her best throw being 118'8", just falling short of placing.

The state meet was a new experience for two AHS seniors. Shot putter, Annette McCann, had some momentum going in the shot prelims, heaving a toss of 36'6" good enough to land her into the finals. Later in the final competition, McCann bettered her toss of 36'9", which was just short of placing.

Tracy Bellamy ran the 100 meter dash in the time of 13.2, but her fourth place finish in her heat didn't get her into the finals.

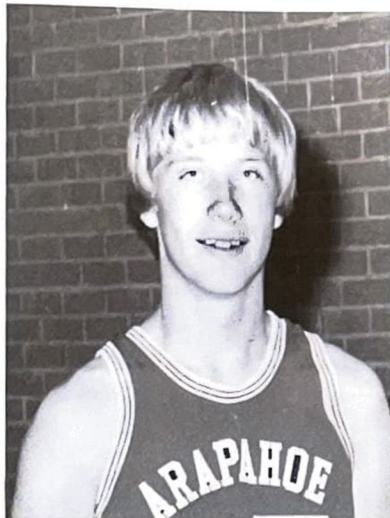

Top right: Linda attempts the high jump bar at 5'. Center left: Jean gets set to heave the discus. Center: Annette follows through on a power throw of the shot put. Center right: Linda flies to the sand in the long jump. Lower right: Tracy pumps her arms in the 100 meter dash.

Mark Weatherwax came home from the RVL Golf Tournament as the medalist.

Eleven able golfers were at the hands of Coach Glen Vannier for the 1983 golf season. With only three seniors returning, Kirby Mousel, Dale Warner, and Mark Weatherwax, the team gathered some very valuable experience.

The highlight of the season occurred at the RVL golf tourney when Mark Weatherwax came home as the medalist.

FACULTY

It takes many concerned people to make school system work. The administration does a good job of overseeing, but they cannot do it all. It takes cooks, janitors, bus drivers and hard working secretaries. Most of all, it takes teachers with a concern for students. The entire faculty of AHS puts a lot into providing for the best education possible for Arapahoe students.

Faculty Life

We all know what A.H.S. faculty members do during the school season; they grade papers, make lesson plans and put in lots of hard work sponsoring activities. But what do they do in the off season when they don't go to school every-day? Some faculty members enjoy things such as camping, fishing and running, while others enjoy gardening and taking care of their own children instead of someone else's. There are even some faculty members who enjoy going to school themselves. With all these activities going on it sounds like they are just as busy during summer as they are during the school year.

S E N I O R S

It's graduation and it's unbelievable that I'm here. They'll call my name in a few minutes, and I'll walk up to receive my diploma...where do I go from there? I've always had the security of the school routine and its activities, surrounded by the friends I was so familiar with. Now we'll all be going in different directions, and I wonder how long it will be before the memories that meant so much start to fade. After twelve years of this you would think I would be ready to move on, but I feel like I'm leaving a part of me behind. Maybe that's good though, because I really have changed in the years that I've been here. Well, pretty soon they'll call my name. Then I'll be up there, and it'll be all over. In a way, I guess everything's really just a beginning.

Senior Sneakers

Seniors gather for one last group shot before leaving Kirkwood Lodge and coming home for their graduation.

As the usual tradition of the past few years, the Seniors trekked to Kirkwood Lodge in Osage Beach, Missouri for a well-deserved vacation in the Ozarks.

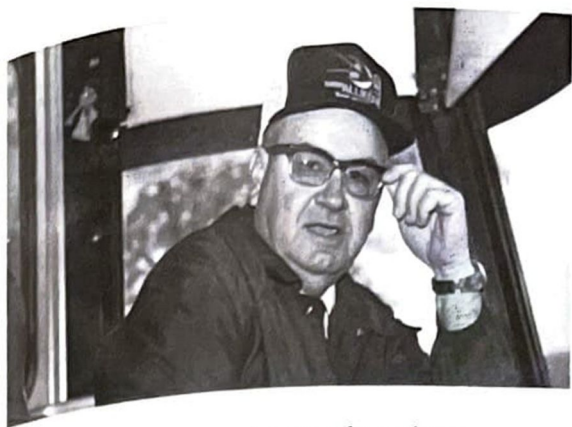

Arriving at the lodge on May 7, the seniors weren't going to let cold weather and rain showers keep them from enjoying swimming, skiing, canoeing, and paddle boating. Bumper cars, go-carts, arcade games and a trip to Dog Patch, U.S.A. filled the remainder of the days.

Sponsors for the three-day event were Nate and Stephanie Stineman, Waid and Marilyn Zysset, and Lynn and Sherly Robinson. They seemed to have as much fun as the students...

Much to the dismay of all, it had to come to an end. The Seniors of 1983 realized that when they returned home on May 9, their time together as a class was dwindling down to the final days before graduation.

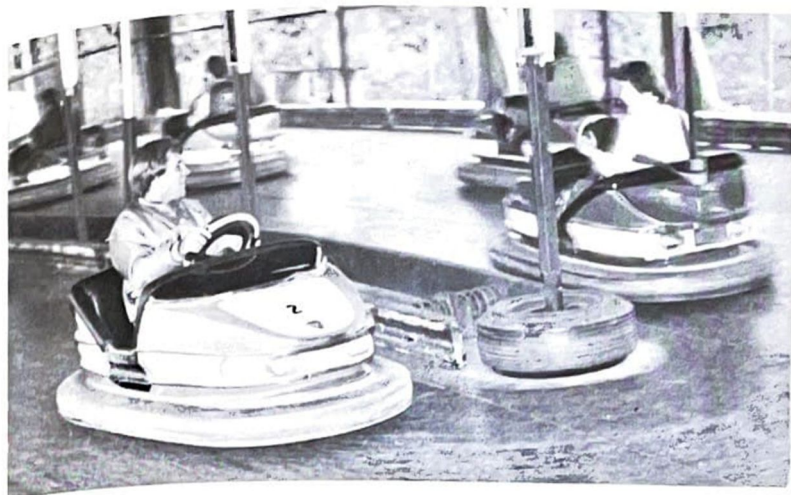

Kirby and Ron sing a tribute to Uncle Ned.

Elmer -- our trusty bus driver.

Rona catches a few rays.

Waid and Marilyn Zysset show off their new cars.

Shawn and Bryce clown around as usual.

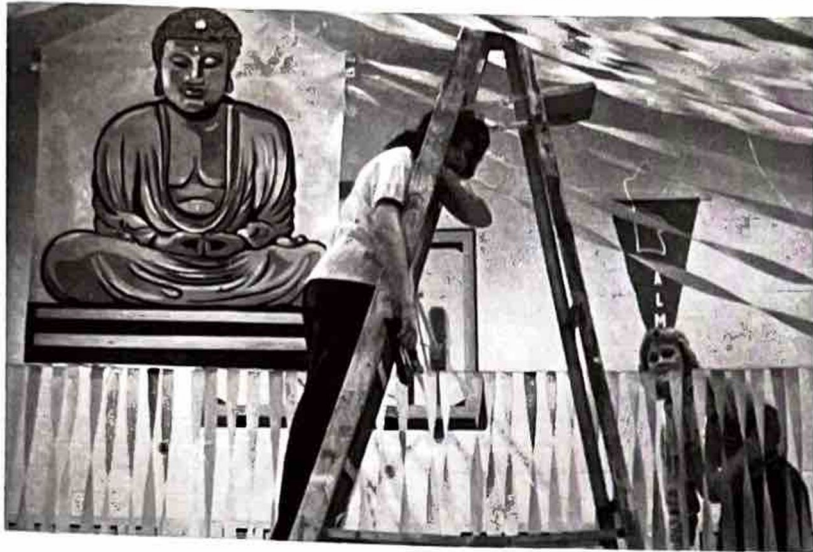

Brenda, Sheila and Linda decide that it's too cold for sun tanning.

Marveen reverts to her childhood.

"The Night of the Dragon"

"The Night of the Dragon" was the theme of the 1983 Junior-Senior Prom held on Saturday, April 30, in the school gym.

The Juniors began decorating on Friday noon. The several months of planning and preparation paid off as most of the gym was brightly decorated with streamers and hangings.

After appetizers, everyone went to the gym for the banquet which began at 6:30. Those attending were greeted at the entrance of the school by a huge pagoda and then walked through a red tinted hallway of oriental letters and a large dragon. The gym was made smaller with the use of pastel streamers and wall height black paper. Covering the wall were Geisha girls, rickshaws and dragons. A mountain scene was drawn on the adjoining wall. A bridge and canoe were set next to the river extending from the mountains. A final touch was added to the decorations by hanging oriental lanterns throughout the gym.

The banquet began with the welcome given by Alanna Schutz, the Junior class president. Linda Polston, Senior class president, followed with the response. Kevin Watson gave the Invocation.

The dinner, of an oriental menu, included peppered chicken and rice.

Following the dinner, Kirby Mousel, Sheila Warner and Linda Polston read the Senior class wills to the Juniors.

The dance was then held from 9:00-12:00 with music provided by the group "Black Jack".

At 11:00, ceremonies were held to name the Prom Royalty. Shawn Davis was chosen as King and Chris Koller as Queen of the 1983 Junior-Senior Prom.

Following the dance, the movie, "Happy Birthday to Me" was shown at 1:00 at the Crystal Theater.

ARAPAHOE HIGH SCHOOL

Once upon a time... Now the school year has ended. The times we have shared will never be forgotten, even though the calendar days are crossed out forever. We will always treasure the memories we have made. There is so much to remember, the good times and the bad. These are important years worth reminiscing and we hope the 1983 Warrior will be a memento of the good times.

It is hard to say good-bye to a school, after thirteen years of life. So much has happened - good and bad. We've laughed and cried, loved and hated, most of all we've grown up. The halls of AHS will never be empty in our hearts, for the experiences we've encountered here will never be forgotten. I guess you never say good-bye, just look forward to the future and carry the memories of the past in your heart always.

We would like to thank those who have helped to make the 1983 annual special, Ted Cill and the Arapahoe Public Mirror, National School Studios, the Publication sponsors and most of all, the 1983 Warrior Staff.
