"As Good As Gold" is the theme selected for the 2003-2004 yearbook simply because this year is a celebration of the 50th edition of the yearbook. It symbolizes the faculty as well as the students at our school. As the year moves on, we say good-bye to our seniors and look forward to those new students coming. People come and people quickly go, but life always goes on. May we remember the friends, the memories and the place called AHS because after all they are as we say it, "As Good As Gold."

Journalism

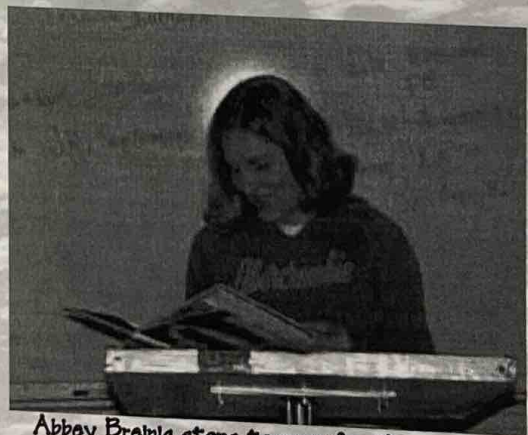

Journalism Class: Nicole Maaeko, Kayleigh Dawson, Katie Webb and Abbey Bröing.

The journalism class this year consisted of four golden girls: Abbey Bröing, Kayleigh Dawson, Nicole Maaeko and Katie Webb. Without Mrs. Lynn Croesley, the yearbook just wouldn't have been the same. She provided support and encouragement to her small, but mighty group of girls. The theme selected for the 2003-2004 yearbook is *As Good As Gold*. The students were as busy as ever selling advertisements to local businesses and organizations, writing articles for the *McCook Daily Gazette* and capturing the golden memories that took place in our school throughout the year.

Elementary

Going for the gold... The kindergarten through sixth grade students have kept that motto the entire year. The elementary students worked diligently in several different categories to obtain gold standing. During the year the Arapahoe Elementary switched from the Pizza Hut Book-It to the Subway Read-A-Book Program. Mr. Bob Braithwatt, elementary principal stated that it was a great move for our school. The classes have been reading, reading, reading in order to earn golden Subway sandwiches and ice cream cones. During the winter season, the grades second through sixth worked hard to achieve the gold in Little League Basketball and Wrestling. The third grade children gained the green thumb award by planting a variety of plants in the outdoor classroom. These students are continuing to build more and more golden memories.

Follow the Golden Rules...

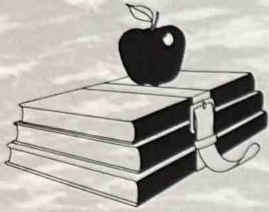

Mrs. Pam Breinig and Mr. Hatch discussing school dilemmas.

The AHS school year began with new additions to the staff. The teachers added were: Mr. Joshua Hood, Social Sciences and Mrs. Patricia Riley, Special Education/Freechool Aid. Grade 7-12 also changed study halls to home room period, which has been a good change. The students have been in close touch with their home room teacher throughout the year. The school would not be the same without the authority figures to make the students follow the golden rules. Even though students do not realize the importance of these people, they have an impact throughout the high school days. The students at AHS will always appreciate the golden rulers just the same.

LADY WARRIOR VOLLEYBALL

The 2003-2004 Lady Warrior Volleyball team was a season of new experiences and golden memories. This year was a fresh start for the ladies with new coaches, new seniors, and new attitudes. The team was introduced to two new coaches: head coach Mrs. Casey Warner and assistant coach Mrs. Lea Shultz. The team was lead by six seniors: Miranda Anderson, Carley Chapman, Elizabeth Christensen, Kim Pfeifer, Christina Sander and Madison Scott. The Warriors ended the season with a sense of gaining self-respect as well as team confidence while turning the tables in the sport of Arapahoe Volleyball. Although the team didn't have an all winning record, the ladies put up a hard fight while trying to earn the gold.

The 2003 Homecoming was filled with many new experiences. It marked the seniors last coronation, volleyball and football games. Monday started off the festivities with "Blast from the Past," students and teachers were seen all over the school sporting their favorite decade. Cowboy hats and Wrangler jeans were common on Tuesday, Cowboy day, had all the cowhands turning out to the gym at noon for a boys vs. girls blind volleyball game. Floaties and sunscreen came in on Wednesday for Beach Bum day, with the noon activity the limbo. "Famous" duos were seen all around the school on Thursday for Dynamic Duo day. Blue and white pride swept the school on Friday. Coronation was held at 1 o'clock in the gymnasium, followed by a pep rally featuring Governor Arnold Schwarzenegger in the park. The volleyball and football teams battled Eustis/Farnam and although both put up brilliant efforts, both came short of victory. Saturday concluded the festivities with the annual Homecoming dance.

Miracle on 34th Street

A little girl talks to Santa Claus about her Christmas present.

Store managers talk about their troublesome Santa Claus with an attorney.

On Saturday, November 8, 2003, the AHS cast members performed the classic story, "Miracle on 34th Street". Doris Walker is fed up with the Christmas Season after every Santa Claus she hires for Gimble's Toy Store turns out to be a huge failure. Then a man named Kris Kringle is hired by the store to play Santa and heightens excitement about the Christmas season. Kringle spends some time with Doris' daughter, Susan, and leads her to believe that pretending is a good thing that every child must do. Everyone is trying to reveal Kringle's identity and prove that no real Santa exists. After the dispute of trying to prove Kris Kringle wrong, Doris Walker and her fellow employees discover that some things are worth believing in after all. Susan's wish for a real family comes true when her mother falls in love with her co-worker Fred. The spirit of Christmas lives on through the miracles that happen to those who believe.

A crowd of employees gathers around the base Mrs. Gimble.

It's a busy day at the office for the store managers.

The Warrior wrestling team started this season under new direction. Mr. Josh Hood led the small but mighty wrestling team this year. He was assisted by Mr. Cody Hill and Mr. Jared Hildebrand. The league was headed by three returning seniors: Colby Carpenter, Jon Kroutzer and Chris Kruger. Even though it was a trying year, four boys still qualified to compete at the state level. Chris Kruger received the [unclear] Award and Colby Carpenter was acknowledged as honorable mention. All of us at AHS are looking forward to watching the legacy continue.

Squad Succeeds with Determination and Desire

The 2003-2004 Lady Warriors had an indulging season. The team set and met goals that had not been met in many years. The team was led by three seniors: **Miranda Anderson, Carley Chapman** and **Eltzabeth Christensen**. Many underclasemen also contributed as the season unfolded. The girls also learned things about winning that had not even been thought of for a long while. The girls developed the concept of teamwork and learned to not give up. They learned that hard work would show in the end. The high point of the season was setting a school record by scoring 84 points against Northern Valley on the Warriors' home floor with two girls scoring over 20 points each. The girls' season came to an end during the first round of sub-districts with a loss to Sutherland. The seniors will be missed, but the underclasemen are ready to prove that the work ethic and intensity the seniors left us with, will grow nothing but stronger for next year. The coaches this past season were Mr. Kipp Stephens and Mrs. Amy Watson.

The 2003-2004 Boys Basketball season was a dandy one. The boys started off the season with a 10-0 record before their first defeat to the D-1 2003 State Champions, Loomis. They bounced back, however, and won the next several games. In the RVL Championship game against Cambridge, the C-2 State Champions, Arapahoe's **Blake Maaeko** hit the tying 3-point buzzer-beater to send the game into overtime. Although the team fell short in overtime, the game will never be forgotten. The team will continue to grow and improve in the off season and will definitely be prepared for next year. The Warriors were led by five seniors: **Scott Bachman, Dustin DeVries, Brent Fanning, Pat Nott** and **Justin Spaulding**. Mr. Bob Braithwatt and Mr. Colin Kubik were the leaders of the team during the past season.

It was a very productive year for the Arapahoe choir. There were 53 students that were involved in choir this year. Although the group faced some difficult times, they always pulled through with golden performances. The choir performed for the Veterans Day Program. Following the Veterans Day Program, the choir had some quality time to prepare for the annual Christmas concert. After students returned from their holiday vacation, they went straight to work on pieces that were for the RVL Vocal Clinic. The choir spent countless time and effort practicing for the Pop Concert. The theme selected for the concert was Disco Fever. Students dressed up in their best seventies attire along with a few boys who were dressed as the unforgettable village people. The concert was a huge success. In addition, the students quoted that, "The Pop Concert was the best and most memorable concert of the choir performances this year."

Mrs. Senja Stephens then searched for selection pieces for the McCook District Music Contest. The choir had efficient time to practice for Districts. Selected students worked diligently to prepare for solos, duets and various groups to perform their best at the McCook Contest. The choir received a I rating as various solos, duets and ensembles received both I and II ratings.

Throughout the year the students sold Little Caesars Pizza and Butterbraided Bread in order to raise money for their trip to Chicago in 2005. The Music Banquet was held May and students received awards of recognition for their hard work and outstanding skills. The choir performed one last time with the seniors for Graduation on May 9, 2004. The 2003-2004 vocal year was full of golden students, performances and memories.

"Superheroes in Action," was the theme selected for FCCLA this year and the Arapahoe Chapter members did just that. They started out the year with a picnic in the park followed by a challenging scavenger hunt. Then members prepared their projects which were presented at Districts. Participants that qualified for state were: **Michael Moore, Kayla Webb and Katie Webb** in Chapter Service; **Tori Hauseler** in Interpersonal Communications; **Kayleigh Dawson, Seneca Huxoll and Tiffany Moore** in Consumer Issues; and **Stephanie Leising and Tina Smith** in Focus on Children. At state level, **Tori Hauseler** and **Lothoa Gorard** ran for a State Peer Education Team Office. **Lothoa Gorard** was selected to the Student Body Team. FFA: We're on Our Way

The 2003-2004 FFA Chapter was very involved with various activities throughout the year. The school year kicked off with the annual Pancake Feed sponsored by Pheasant's Forever. They competed in district and state range judging, as well as land judging, and livestock judging in early December. The highlight of the judging contests was when **Jason Warner** won the district livestock judging competition. Several members of the chapter attended the National Convention in Louisville, Kentucky. The annual Mountain Oyster fry was again a great success. The fruit sales were a good fundraiser, and the fruit was, as always, very fresh. During the spring, the chapter competed in numerous contests, they attended the State Convention where **Katie Chambers** and **Elizabeth Christenson** earned their state degrees. The annual FFA banquet closed out the busy year by giving out awards to many of the members, and recognizing all of the chapters accomplishments. Student Council

The 2003-2004 Student Council members had to face the many tasks that take place throughout the year. AHS changed the policy of buying pop during school so the Student Council took the initiative to fill the pop machine with water, juices and granolades for the students to buy before and after school. The members traveled to McCook Community College to listen to inspirational speaker, Mr. Aaron Parks. They took part in heading the activities during Homecoming week, as well as setting up the Christmas Party. The students discussed many of the dilemmas that took place throughout the year. In addition, the Student Council invited Holocaust survivor, Cantor Leo Fottman to talk about his life during World War II. In addition, the Student Council gave 2 scholarships for seniors. Overall the school year was a golden success for the organization of Student Council. Mrs. Karen Wadswaen sponsors the group.

Academic Bowl

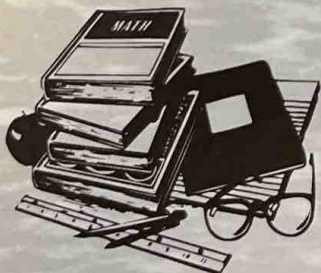

The Arapahoe High School Academic Bowl was a challenge for many students as they competed throughout the spring. Many members had very active schedules which made it difficult to compete at every meet. The group attended many meets such as the RVL Quiz Bowl, the Arapahoe Quiz Bowl as well as the Service Unit Quiz Bowl. The group placed second at the RVL Quiz Bowl and third at the Service Unit Quiz Bowl. Even though the year was very busy, the team still carried on and had a great year. Mr. Daren Hatch was the sponsor for the group this year.

A-Club

No matter what the sporting event, Arapahoe High School Sports has always been enjoyable as well as successful for the players and to the dedicated Warrior fans. The A-Club is an organization that consists of all the athletes that have lettered at AHS.

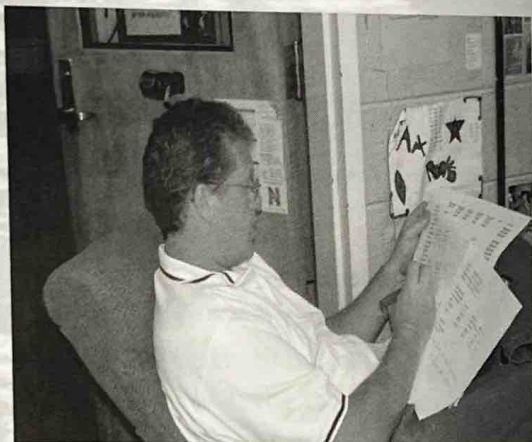

A-Club sponsors consist of coaches from all of the variety team sports which include: Bob Braithwaite, Daren Hatch, Josh Hood, Colin Kutzik, John Paulsen, Kip Stephens and Casey Warner.

The A-Club sponsors both the girls and boys freshmen-sophomore tournaments. The members of the club coordinate the game schedules, set up and run the concession stand, keep track of the scorebook, and run the clock. They also take tickets and sweep the floor before and between games. After the event is all done, the members are responsible for the cleaning up of both the game area as well as the concession area.

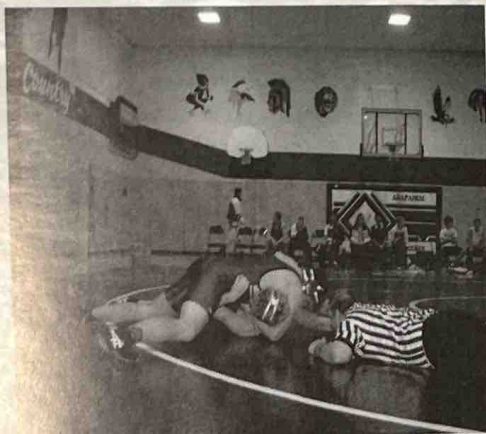

In addition, A-Club is responsible for obtaining the cars that are used in the Homecoming Parade. The coaches are the drivers of the beautiful cars that escorted the Homecoming Royalty. The A-Club is a very important organization in our school and it highlights the golden events throughout the year in all of the Arapahoe sporting events.
