

2004-2005 A Year in Review

The foundation for this 2004-2005 year in review combines technology and talent. The format of the traditional yearbook has undergone a complete change in every facet--from the colored pages, to the binding, to the cover--it's all a new endeavor. The accompanying DVD incorporates traditional coverage stories of the many AHS experiences and video clips that both utilize the diverse talents of the journalism staff. The staff would like to thank Katie Adams, Ciera Welch, Abbey Breinig, Donna Fisher, the *Arapahoe Public Mirror* Staff, sponsors, and coaches for their efforts in making this production a reality.
