After spending most of 2020 in quarantine because of COVID-19, the students at Arapahoe-Holbrook Schools have learned how important electronic devices are, not only in their personal lives but also in their academic careers.

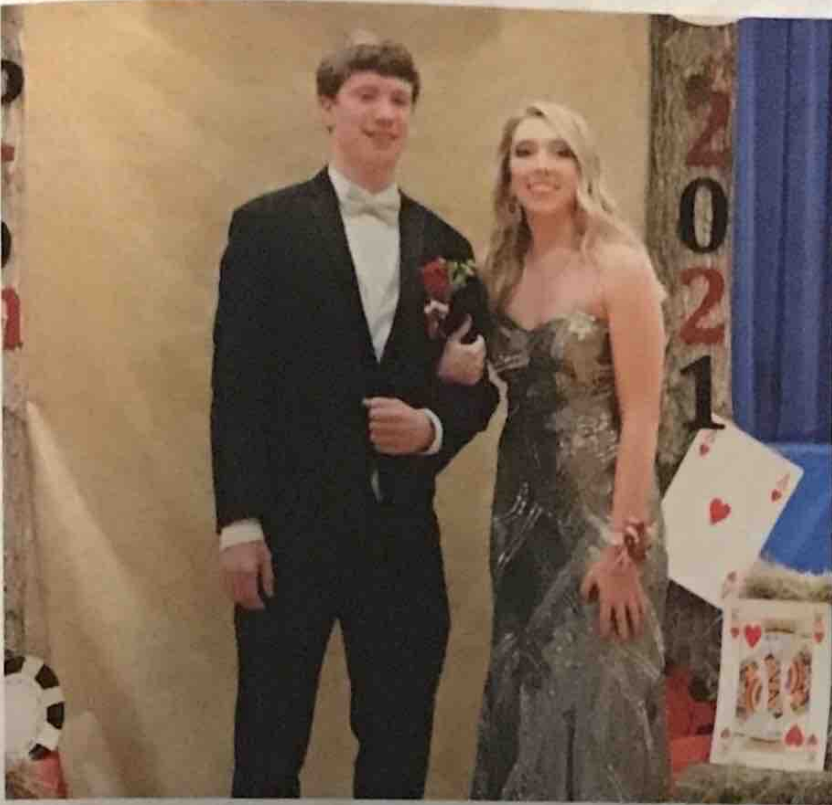

The different parts of electronics that we all love; selfies, highlight reels, and the app store keep us entertained but also let us share our stories with the world.

This is the story of our 2020-2021 school year.

Senior year is full of so much excitement and responsibility; deciding which college to go to, applying for scholarships, working, and balancing school activities.

This year's senior class was a great example of responsibility and school involvement. Each member of the class was involved in at least one school activity or sport. Many were leaders including presidents, vice-presidents or captains.

Some of the seniors favorite moments included: Homecoming, Prom, victories in sports and activities, and getting to spend the year in school after COVID-19.

Junior year is said to be one of the busiest of your high school career, chocolate sales, PSAT, ASVAB, ACT, college visits, and Prom. These are a few of the many activities Juniors are involved in.

The Junior class started off the year selling chocolate bars to raise money for the Prom. They raised plenty of money and got started on getting Prom up and going right away.

Throughout the year, Juniors have to take many tests to help them decide on a career and get into college. Deciding on your future is a big part of Junior year.

Left: Grant Taylor strides out to finish his races.

Right: Hannah Whitson pushes through until the end.

Right: Josiah Goshert rushes towards the finish line.

Below: River Einspahr smiles through the pain, while running at District Cross Country.

Cross Country is all about focus and endurance.

Each meet provides the runners a new opportunity to push themselves. The team members had many successful runs this season and broke many of their personal records. Most notable was Isaac Goshert who qualified for state. He placed 20th out of 133 at the state competition. When asked how he has improved over the course of the season, Isaac stated, "Gifts are always great. Whether it be a physical object, or in my case, a skill. God has given me the ability to run. The sad thing is that the first couple years of high school I miss used this gift, running for my glory and fame, taking days off, and worrying about fickle pains. I am glad I had coaches that kept me motivated and focused on the next level of competition and success. To God be the glory, and grace to all.."

Everyone worked very hard this season to reach their goals. With so much success, the commitment of the team and the endurance of these runners will carry this sport and positivity forward.

Far Left: Brianna Conn pushes hard to the end.

The 2020 Warrior Football season was full of ups and downs. The season started with a full, very talented team, but lost several players to injuries, many of which were seniors. These injuries caused underclassmen to step up and lead the team.

The Warriors started off to a 2-1 record beating Lawrence-Nelson and Blue but ended the season 4-4. They were also one of many area teams who didn't have to cancel a game due to COVID-19.

Many Warriors ended the season with area and state awards.

# BOWLING

This was the first year Arapahoe made Bowling an official sport. There were many recruits that resulted in two full girls and boys teams. Many faces have been seen before in the bowling club. Competing was fairly strange because many schools around did not have a bowling team yet. They competed against Lexington, Southern Valley, Ogalalla, and Superior. Jacob and Courtney both qualified for the State Bowling Tournament.

# Band

COVID effected band a lot this year. The Christmas concert had to be viewed virtually, and they didn't get to play pep band for basketball games. They got to march at the Alma Parade and play pep band at football games. Despite all the set backs, when the band did perform, they sounded great.

# Choir

Choir definitely looked very different this year because of COVID, but by the end of first semester the choir students were back to some sense of normalcy. They were able to compete at District Music in Imperial and got numerous first and second place ratings between solos, ensembles, and group choir.

# Cheerleading

Cheerleading is all about sharing school spirit with fans and the community. They increase school spirit by planning pep rallies and creating many posters throughout the year.

This year at State Cheer, the girls competed in two events. In the event, Game Day, they placed 6th place. In Non-Tumbling/ Non-Building, the Arapahoe girls placed 5th place, only 3 points from placing! "Life isn't fun without a little bit of cheer." -Emily Osterhaus.

# FCCLA

FCCLA's motto is "Towards New Horizons." FCCLA is an organization aimed at the leadership abilities within careers and communities and takes a lot of commitment. FCCLA sponsor, Mrs. Spaulding quoted, "Even though our year was an unusual and challenging year, each Arapahoe FCCLA member made the best of every situation and looked to grow in their leadership as individuals and as an organization." Anna tenBensel, Gentry Warner, Emerson Swanson, Rhiannon Sich and Tracy Roskop all competed at districts. Gentry Warner, Emerson Swanson, Rhiannon Sich and Tracy Roskop went on to state, with Emerson Swanson qualifying for Nationals.

# FFA

Speaking competitions, looking at livestock, identifying plants, and many road trips is only a small fraction of what FFA does. This year many students were excited for the FFA Chapter. Many entered range and land judging in which the students did very well. The chapter sold fruit and helped with grape harvest at our local vineyard.

Triston Abraham, David Theobald, Cord Frink, Austin Roush, Issac Goshert, and Nolan Meyers recieved their State Degrees. Gabe White, Tristian White, Conner Luke, Berkley Warner, David Theobald, and Cord Frink earned State Ribbons at many different events.

# Homecoming

The 2020 Arapahoe Homecoming was completely different from past homecomings. Because of restrictions on attendance and social distancing, many traditions had to be changed. Coronation was held at halftime of the football game instead of having a parade and being held in the park and the high school students were unable to have a dance. Even though many traditions were changed, students still enjoyed Homecoming.

# Musical - HONK!

Above: The Ducklings - Elizabeth Bell (Beaky), River Einspahr (Fluff), Wayne Lee (Billy) and Addie Jeffcoat (Downey).

Hans Christian Anderson's The Ugly Duckling is a beloved story told time and time again. Honk! takes this tale and tells the story of a young duckling, with some unfortunate looks, who goes on a journey to find herself and her family. As Ugly goes on an adventure meeting a nasty cat and new flocks of friends, her mother never gives up hope in her return. This heartwarming tale has a strong message that should stay with us all. "Different isn't naughty, different isn't wrong, different is just well... different."

This musical production took a lot of perseverance and hard work due to numerous complications to performing. Especially after such a long year, finally being able to perform it, even if it wasn't perfect, was wonderful. As a cast, we learned that sometimes we have to not give up and continue to give all that we can. "I want to give a special thank you to Mrs. Leising and her support, especially with this being her first musical by herself and her determination to make sure the show went on." - Hannah Whitson

# Prom - Country Casino

The 2021 Prom theme was "Country Casino." The Junior class spent months planning and getting decorations ready. During Promenade, Isaac Goshert and Brianna Conn were crowned King and Queen. Then everyone headed into the commons for a delicious supper. Afterwards, everyone had a great time at the dance and danced the night away.

# Graduation

This year's graduation was held on Sunday, May 16. The class motto was, "All we know is full send." The class colors were royal blue and platinum, and the class flower was a Calla Lily.

Diana Hanzlick's saluatorian speech was filled with many treasured experiences here at Arapahoe. She talked about working for what you want, ending her speech with a quote from *The Office*, "If I can't scuba dive, then what's this all been about."

Issac Goshert gave the farewell speech as the valedictorian. He had many pointers and hope for leaving high school and being on your own.

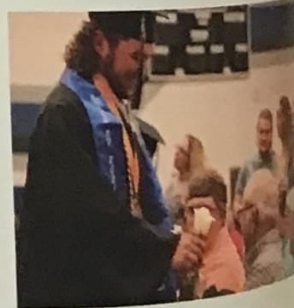

The class of 2021 will always be remembered not for cliques or groups, but for their individuality.
