Student Life

Dylan Bahe, 12

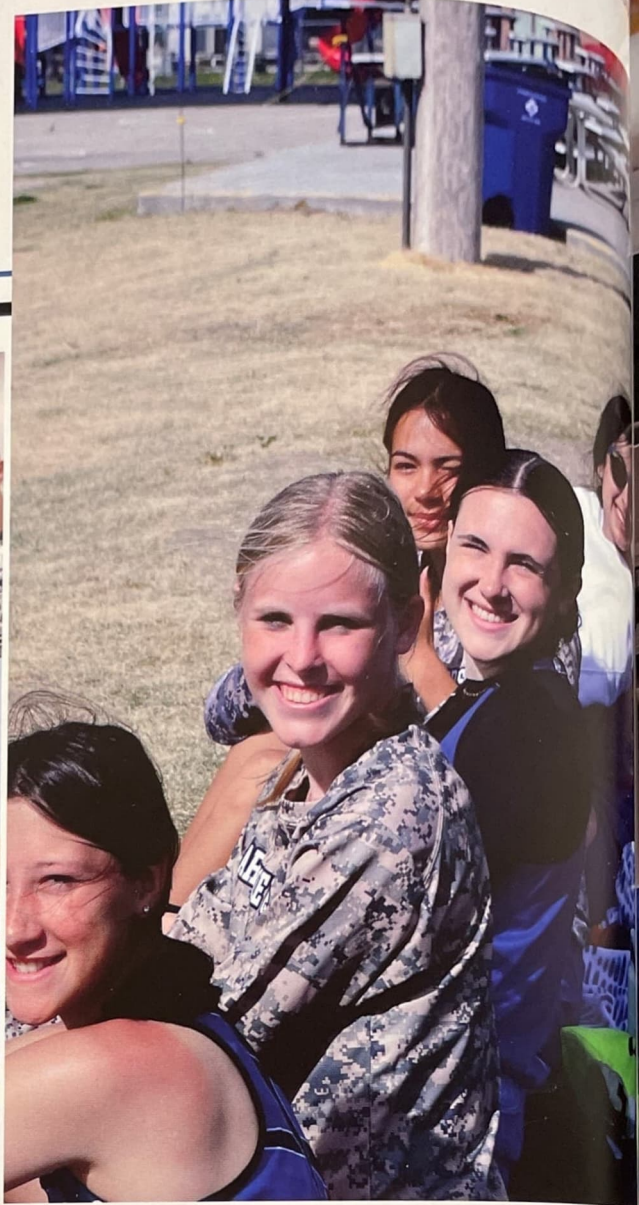

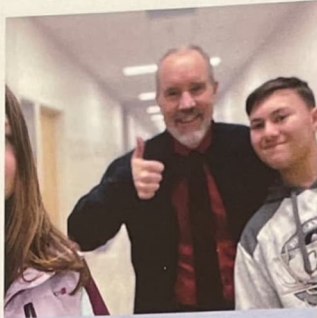

Cadence Carpenter and Sage Larson, 10

Jadan

The students of Arapahoe are always committed to their academics, but they are also committed to having a good time. Students in every class are lucky to be engaged in learning in fun creative ways thought of by their teachers. It is always their hope that in addition to learning, students will have a good time as well. In each of these photos we get a glimpse of what it is like to be a student at Arapahoe High School, and the memories they have made together while spending their time here.

Best Memories

Landen Hoefs, 9
The best part about freshman year was all the new and interesting classes I got to take.

Cian Mccorkle, 9
The best part of freshman year was trying new activities that were open to me.

Emma Strand, 9
The best part of freshman year was making new upperclassman friends.

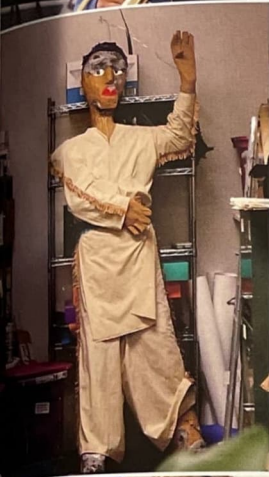

Ander Wasenius, 12

Haiden Garey and Rylee Bahe, 10

Jacen Smith 10, Cooper Wendland 12, Ander Wasenius 12 and Dylan Bahe 12

Rafe Hill, 11, Johnathan Deisley 11

"I think what I will miss most about high school is all the great memories and relationships I have made along the way"
// Gentry Warner, 12

Best Memories

What was your best memory from your time here at APS?

Nolan Garey, 12

My best memory of high school will be all the great things I tried while I was here!

Leigha Utterback, 12

My best memory is all the fun times I had in the art room.

Chambrae Klein, 12

My best memory will be all the times I had with my friends in class and out.

Adiós Mis Amigos

Arapahoe says "Adiós" to beloved Spanish Teacher Marcia Foley

The student body of Arapahoe are saying goodbye to staff pillar, Mrs. Marcia Foley this year. Early in the Spring, Foley announced her plans to retire at the end of the 2022-2023 school year. Students and staff alike were sad to see a beloved face leave after so many years of service teaching the children of Arapahoe.

Foley has been teaching for the last thirty nine years, with the last fifteen here at Arapahoe High School. Mrs. Foley taught Spanish, Junior High Social Studies, World History. In addition to a large course load she was also the sponsor/Head Coach of a number of different activities/sports. Foley served as the Head Coach of the Junior High and High School Cross Country team. Often running with them at practices

She was also the sponsor of the Junior High and High School Quiz Bowl teams, taking students to meets all school year long with much success. In addition to Quiz Bowl and Cross Country, the never tiring Foley is also the organizer and sponsor of our schools National Honor Society Chapter, as well as the school's Education First (EF) Educational tours. She has taken students to Costa Rica, Panama, and Europe.

Mrs. Foley is always thinking of ways to expand the students of Arapahoe's experiences. In addition to taking students to other countries, she has also brought students from other countries to Nebraska to experience the United States, as a the area representative in charge of finding host families for Foreign Exchange students. Mrs. Foley is nothing short of remarkable for all the different things that she coordinates.

In the midst of all of her outside activities, Foley also manages to write and direct and translate a play for the school entirely in Spanish each year. Foley completely writes the script of the play in Spanish for her students in Spanish III to perform for the school. This dedication to her work, as well as the countless hours she spends helping students prepare to compete in National History Day will leave a large hole in the hearts of her students and colleagues as we soldier on without her. Adios Senora , Adios!

Mrs Foley was a fixture for the last 15 years, taking students on trips across the world, sponsoring quizbowl, judging speech meets, and just being a constant presence for students here at APS

HS Track

The 2022-2023 Track season started off slow but quickly picked up the pace with several big wins in both the team and individual competition. It ended with three of our classmates punching their ticket to State. Junior Sabrina Jacobsen, and Sophomores Will Cacy and Grayson Koller.

At the state competition in Omaha, Cacy took home the gold in the 400m, bringing home a State Championship for the Warriors.

Midnight Luau

The snowy night started off with everyone taking photos with their date. Moved on to eating delicious pork loin, cheesy potatoes, beans, and chocolate/pineapple parfait. Everyone partied the night away with dancing to splendid songs. After the dance was over, they all headed to the gym for post prom. All the seniors and more won prizes and played dodgeball. They ended the night at 3:30 with a beautiful sight of snow on the ground.

National Honor Society

at Arapahoe-Holbrook Public School

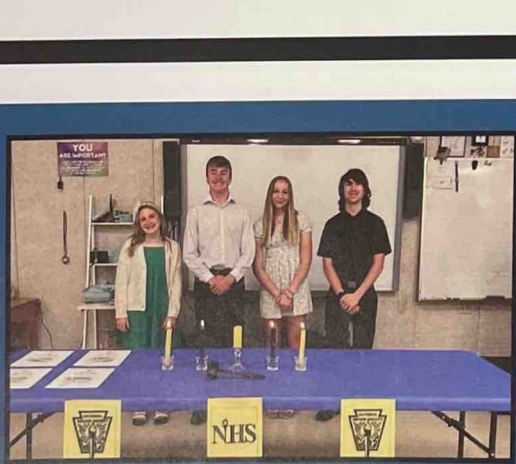

The National Honor Society pledges an oath of being in

National Honor Society recognizes high school students who meet high academic standards. The organization was founded in 1921. Today, over 1 million students participate in AHS, which has chapters around the world. NHS emphasizes leadership and service. Being apart of the organization means to have good character and high academic grades.

Brooke, Madison, Lauren and Julie are the top 4 of their class and served breakfast for the NHS members and parents.

Anna spoke about what it is like being in NHA and gave the good morning speech.

The four new members of national honor society is Sage Larson, Trenton Roskop, Cadence Carpenter and Jacob Moore

Connecting Chapters Program

The F.F.A Chapter has been apart of the Connecting Chapters program for the past two years. We visit the elementary classrooms throughout the year and read books and do crafts with them. The students love seeing F.F.A members in their classroom.

DID YOU KNOW?

F.F.A is the largest school organization in all 50 states. Involving students from 6-12th grades.

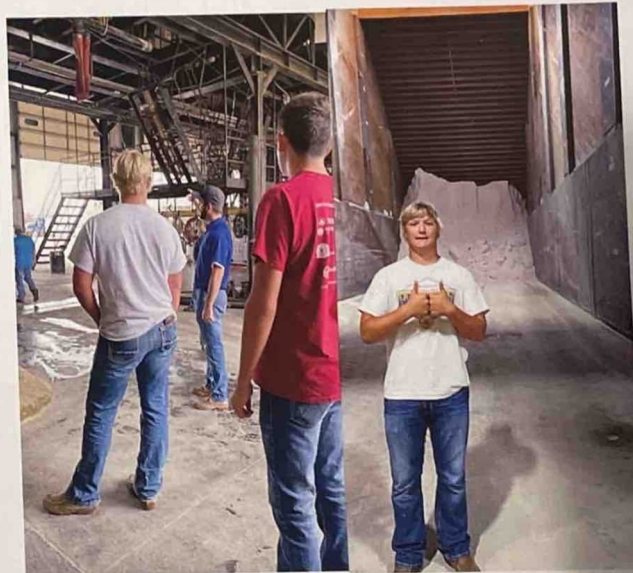

Ag Valley Leadership Day

The Juniors and Seniors went to Ag Valley in Edison and toured the facility. Then the students were taught about procedures and how chemicals are made.

Field to Classroom

The F.F.A Officers of 2022-23 focused on improving Agriculture Literacy in Arapahoe Public Schools. Gentry Warner (President) wrote a speech and did a survey on Agricultural Literacy in the school. "Half of the students don't know where their food comes from" according to one teacher. This has been the main agenda of the 2022-23 officers To improve Agricultural literacy in Arapahoe Public School.

Performance Gone Wrong

Hilary Downy and McKenzie Ewoldt

Hilary Downy and McKenzie Ewoldt

On November 13 Arapahoe Public Schools put on a musical matinee of Little Women. Everything was going perfect until it wasn't. In Act 1 our set crew decided to move our backdrop over a smidgen. Turns out that was a bad idea because it gave Theodore Laurence the III (played by Lael Rathbun) little time to get on stage. Next thing you know Our set is falling over! (Jo March (played by Hilary Downy) had knocked the chair into the set and the set came crashing down.)

The Magic of Art

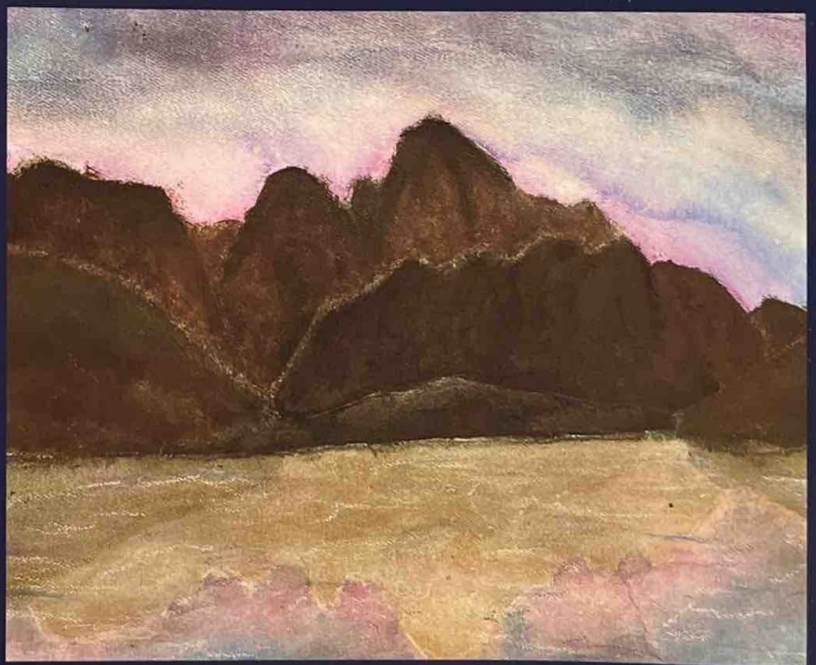

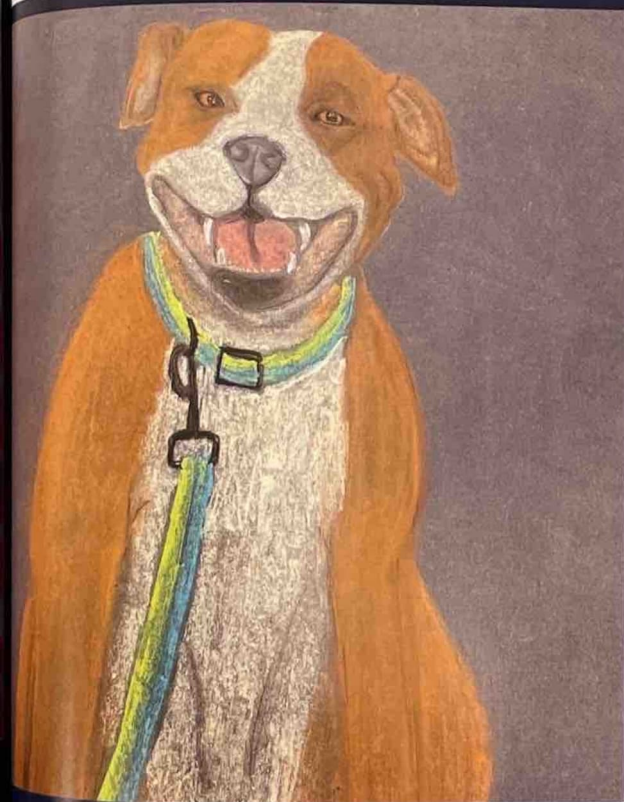

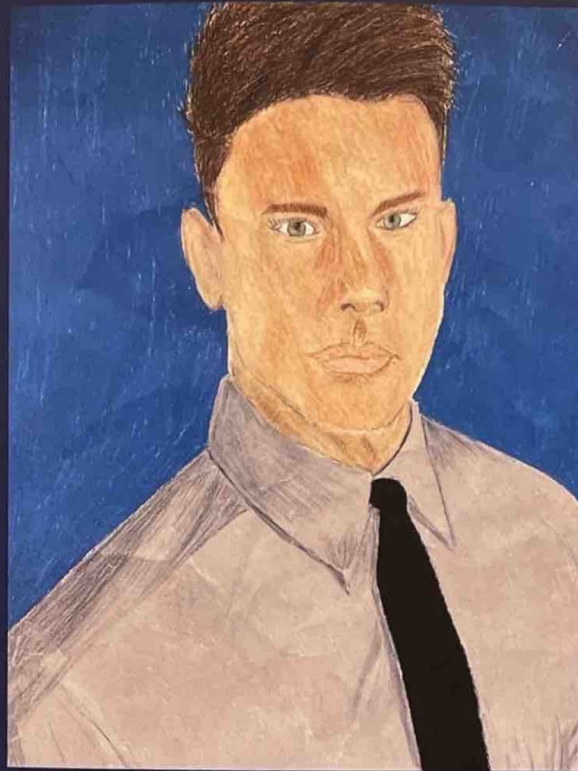

Leigha Utterback

Leigha Utterback is a senior at Arapahoe High School. She has taken art all four years of high school as well as through her elementary and junior high years. In an interview with Leigha, she shared many things about her love for art and also about her future plans after high school. Her favorite thing about art is being able to add her own creativity into assignments. She loves taking art class because it gives her something to look forward to when she has a lot of homework and stress. Her favorite art medium she has tried so far is Encaustic and her favorite art piece is her stained glass windows because it was out her normal and she learned a lot in the process. A new medium she wants to try is glassblowing. Leigha plans to attend college to major in early childhood development with an endorsement in special education. Someday her magic of art will touch her classroom and bring joy and creativity into the lives of many young children, until then her magic will kiss the halls of Arapahoe High school.

Leigha's charcoal work of Marilyn Monroe is displayed above. Her dog drawn with a chalk medium is displayed below. In the upper right hand corner she has a mountain scene made with watercolor. To the right is the artwork she made of Channing Tatum out of prismacolors. In the upper right hand corner is the artwork Leigha has created this school year. It is an Encaustic piece of a beautiful canyon scene.

Trap Shooting

Springtime at Arapahoe also means Trap Shooting season. Students participate in Trap as another extracurricular activity offered here at Arapahoe. It teaches students firearm safety, as well as increases their hand/eye coordination and concentration as they learn to wait patiently for that perfect shot!

Flags

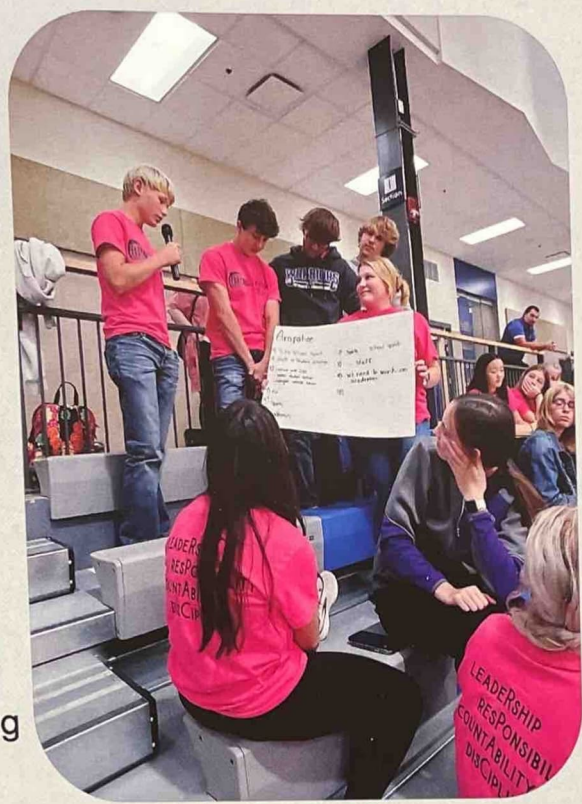

This year the Arapahoe Flags team went to the UNK Band day, Harvest of Harmony, and the Minden Band fest. They also preformed at a football game during halftime.

Student Council

This year Stu-Co sold Christmas Grams in December, helped with Toys for Kindness, and have set up multiple dress up days. They attended State Student Council and are working on a State service project currently.

Arapahoe FCCLA Chapter

This school year in FCCLA has helped out the community so much. Some members participated in STAR and medaled. Everyone gave gifts to the preschool and elementary for "Toys of Kindness". The officers are reading books to the younger kids. National FCCLA week is a very busy week for the members, they hid hearts around the school, walked down the hallway with the elementary kids and the marching band, made a video, and some members said some things about themselves and about FCCLA.

Junior High Sports

Gentry Warner

Gentry Warner went to school at Arapahoe-Holbrook Public School. Warner has been involved in Volleyball, Basketball, Track, cheerleading, FCCLA, FFA, National Honors Society, Student Council, School Board Representative, Journalism, Speech, A-Club, and TeamMates. Outside of school she was involved in American Gelbvieh Jr. Association, Jr. Gain Association, Arapahoe Baby Beef 4-H Club, and Softball.

FCCLA Nationals

Gentry Warner went to National FCCLA for her star project; Hospitality, Tourism and Recreation.

Gentry created a feed store called Open Range along with a website and marketing plan. She competed at districts, state, and nationals. At state she was a champion receiving top gold and at Nationals received a gold. "I learned so much and met so many new people. It was an amazing experience and I recommend everyone to get involved in FCCLA and the STAR project program." (Gentry Warner)

Breaking School Record

Gentry Warner
 Match Assists 53
 Season Assists 326
 Career Assists 950

Volleyball

Gentry Warner broke the school volleyball record of 53 match assists, 326 plus season assists, and 950 plus career assists.

"To be honest I had no idea I was close to any of the school records. It was never about breaking records to me. It was the improvement my teammates and I experienced over the years in high school. Of course, I was ecstatic about my accomplishments. However, without my amazing passers and hitters, I would have never accomplished this honor."

The penguin trio nearly stole the show with their antics.

The play featured the entire junior class.

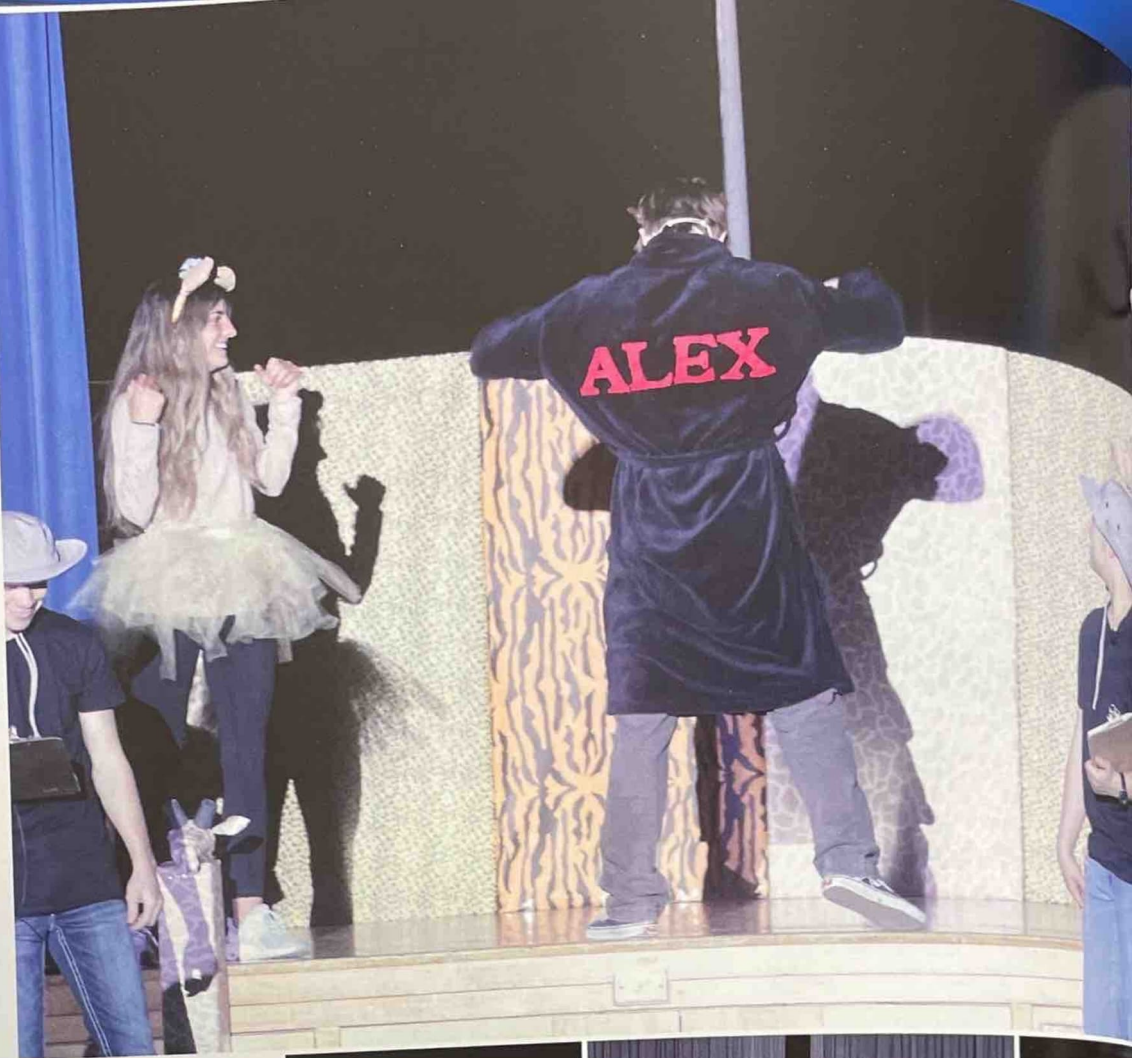

Madagascar es muy bueno

Junior Johnathan Deisley struts his stuff as King Julian in *Madagascar*.

Juniors, Carrick Mccorckle and Wayne Lee as giraffe Melvin and Alex the Lion.

The cast of *Madagascar* in the Spanish Play, produced by Mrs. Foley in the last Spanish Play Arapahoe may see for a long time, as Foley is retiring this year.

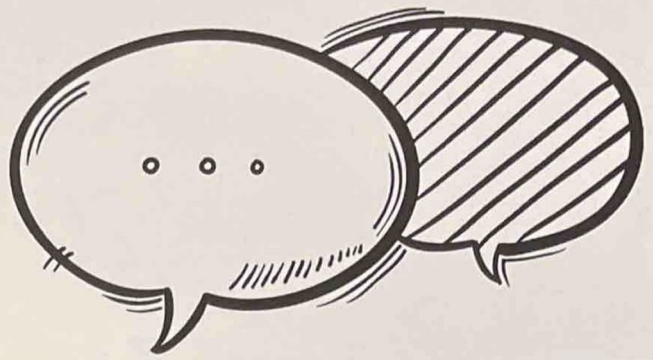

The Final Spanish Play?

Every spring, there are a few things the students of Arapahoe can set their watch by. Spring rains, windy days, and for the last years, the Spanish Play. Each year Spanish teacher, Marcia Foley translates, choreographs and directs a play entirely in Spanish. It is then performed by her Spanish I and II classes to the entire school. But this year, Foley is retiring. The play was *Madagascar*, Disney's work film, and it was hilarious. Foley does a great job of making the show true to the original films, and fun and entertaining to watch. It is unknown if the Spanish play will continue in the coming years as the new Spanish teacher will have a high bar of excellence and entertainment to achieve if they decide to put on the play again next year.

FROM RUNNING LAPS TO RUNNING LINES

Haiden Garey, a sophomore, suffered two major concussions playing a sport she loved. Haiden has been playing volleyball for most of her life, she practically dedicated her life too it. Until, she took a volleyball to the head a little too hard her freshman year. Haiden was out for the rest of the season but was ready to come back her sophomore year. She made it through almost the entire season, until it happened again. This time she had to go through multiple rounds of speech therapy and concussion therapy which lead her to a difficult decision. Haiden and her doctor decided that it would be better for her health to no continue sports. After that Haiden joined the speech team and made a speech informing others about the seriousness of concussions from her personal experience.
