# To the Seniors . . .

Dear Seniors:

In these trying times remember it is best to set up some real guiding goals and spend one's life trying to reach them. It is better to have tried and failed than not to have tried at all. However, someone has said, ahead of us, "Success is counted sweetest by those who never succeed." Keep striving onward towards those goals and you will attain them with God's help.

The chief pay at the finish of a lifetime spent in the service of one's fellow men is the sense of utmost satisfaction at the end of life's rainbow. Such a feeling of a job well-done at the climax of one's life is more valuable than an ill-gotten conscience.

In closing allow me to say:

"May the sweet content  
Of each day well spent  
Be unto you a crown  
When your sun goes down."

May each one of you have a successful happy journey through life is the sincere wish of your superintendent.

C.E. Clyde, M.A.  
Superintendent of Schools

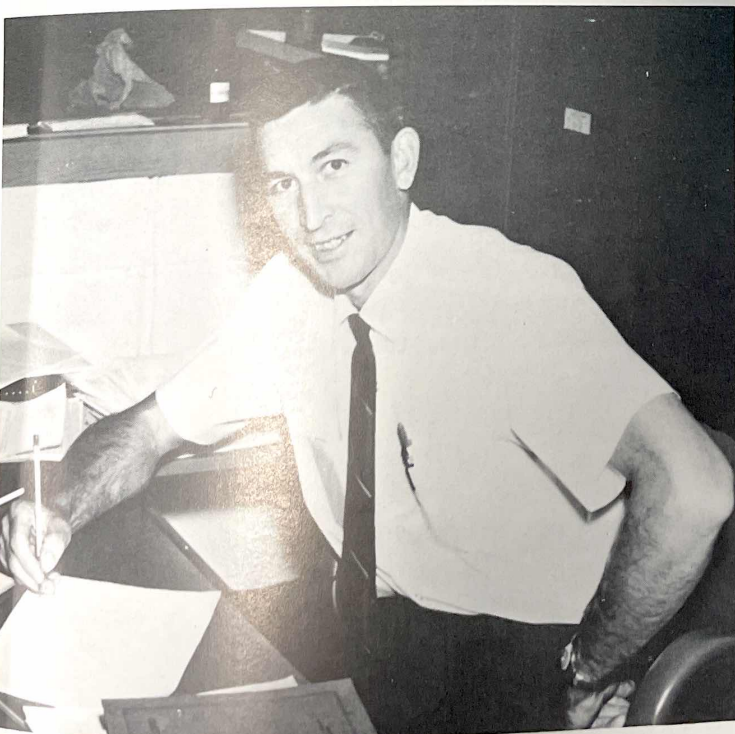

To the Senior Class of 1967

Dear Seniors:

There are many bits of advice that could be given but I believe that they can best be stated by me by saying, I hope each of you will set your goals high, accept the help of others after careful evaluation, maintain your faith in yourselves and in almighty God, use your talents wisely and accept your responsibilities fully.

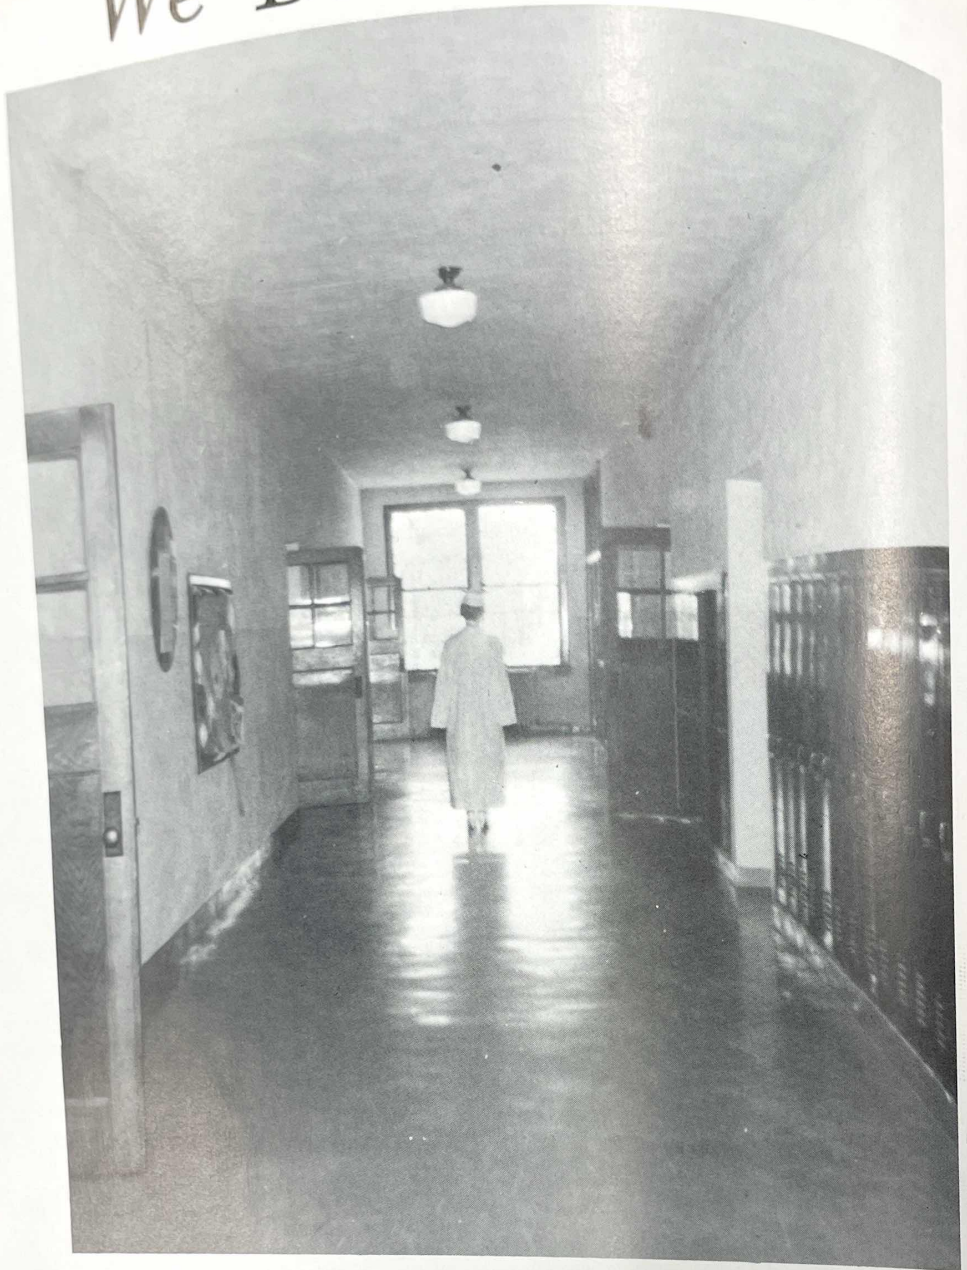

Your motto expresses a feeling I hope each of you will subscribe to: Onward with God's help.

Bill J. Siminoe  
Principal

# We Dedicate . . .

We, the Seniors proudly dedicate this annual to our Mothers and Fathers who have helped us in our times of need through the measles, mumps, chicken pox, happiness and disappointments.

The tribute we make to you today,  
Means "Thanks" for help along the way  
Many things you've given us in the last thirteen years,  
Love, understanding, and I know a few tears,  
The little things you've done for us every single day,  
Have not gone unnoticed, even tho they seem as if they may,  
May you always look upon us with love and pride,  
For, we couldn't have made it without you, (our parents)  
as our guide.

Thanks again Mom and Dad for everything you've done for us.
